

## GENERATIONS FAMILY TREE MODEL

Please complete this model as is possible. Modify it as required and fill in the names. Write notes of explanation as you feel explains the connections. Use arrows to connect relationships. Use titles such as father, brother, mother, uncle, step brother and such on the arrows. Add detail such as the Peer Year they were in year 12 or would have been in year 12 'married to.....' in the boxes. Connection can skip a generation over 4 generations of family and keep going. Families who have a connection to the school spanning 3 generations - either directly through the men as students (great grandfathers, grandfathers, uncles, fathers and sons) or indirectly through sons of cousins, sisters, aunties and nieces of Kevinians.
