1. Introduction

“Catholic schools have a moral, legal and mission driven responsibility to create nurturing school environments where children and young people are respected, their voices are heard and where they are safe and feel safe.” (Catholic Education Commission of Victoria Ltd 2016)

St Kevin’s College is committed to child safe practice. The care, the safety and the welfare of students are embedded in policies and practices which ensure a commitment to zero tolerance of child abuse. All actions and programs will maintain high ethical standards and work in accord with child safe practices and child protection reporting guidelines. The participation and empowerment of all children is a consideration in decision-making, as we seek to provide a safe and nurturing environment where children are respected and listened to.

Furthermore, the principles of child protection (stated in the applicable Child Protection legislation and Child Protection Policy) are a fundamental responsibility of all Edmund Rice Education Australia employees and volunteers. The EREA Charter uses four touchstones to describe the culture of an authentic Catholic school in the Edmund Rice tradition. *Liberating Education* seeks to ensure a safe and healthy environment, with the needs of all students being met. *Gospel Spirituality* gives promise to the nurturing and encouragement of all members of the community. *Inclusive Community* promotes the dignity of each person and the fostering of right relationships. Diversity is viewed as beneficial and social inclusion is paramount. This includes the recognition of the traditional ownership and cultural heritage of Indigenous Australia. *Justice and Solidarity* commits the College to advocating justice, promoting reconciliation and being a voice for those who are marginalized in the community.

The College has zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures. We have legal and moral obligations to contact authorities when we are worried about a child’s safety, which we follow rigorously. Our school is committed to preventing child abuse and identifying risks early, and removing and reducing these risks. Our school has robust human resources and recruitment practices for all staff and volunteers. Our school is committed to regularly training and educating our staff and volunteers on child abuse risks.

2. Purpose of the Policy

The purpose of this policy is to demonstrate the strong commitment of St Kevin’s College to the care, safety and wellbeing of all students at our school. It provides an outline of the policies, procedures and strategies developed to keep students safe from harm, including all forms of abuse in our school environment, on campus, online and in other locations provided by the school.

This policy takes into account relevant legislative requirements within the state of Victoria, including the specific requirements of the Victorian Child Safe Standards as set out in [Ministerial Order No. 870](#).

This policy applies to school staff, including school employees, volunteers, contractors and clergy.

3. Principles

Catholic schools have a moral, legal and mission-driven responsibility to create nurturing school environments where children and young people are respected, their voices are heard and they are safe and feel safe ([CECV Commitment Statement to Child Safety](#)).

The following principles underpin our commitment to child safety at St Kevin's College:

- All students deserve, as a fundamental right, safety and protection from all forms of abuse and neglect.
- Our school works in partnership with families and the community to ensure that they are engaged in decision-making processes, particularly those that have an impact on child safety and protection.
- All students have the right to a thorough and systematic education in all aspects of personal safety, in partnership with their parents/guardians/caregivers.
- All adults in our school, including teaching and non-teaching staff, clergy, volunteers, and contractors, have a responsibility to care for children and young people, to positively promote their wellbeing and to protect them from any kind of harm or abuse.
- The policies, guidelines and codes of conduct for the care, wellbeing and protection of students are based on honest, respectful and trusting relationships between adults and children and young people.
- Policies and practices demonstrate compliance with legislative requirements and cooperation with the Church, governments, the police and human services agencies.
- All persons involved in situations where harm is suspected or disclosed must be treated with sensitivity, dignity and respect.
- Staff, clergy, volunteers, contractors, parents and students should feel free to raise concerns about child safety, knowing these will be taken seriously by school leadership.
- Appropriate confidentiality will be maintained, with information being provided to those who have a right or a need to be informed, either legally or pastorally.

4. Definitions used in this Policy

Child: A child or a young person enrolled as a student at the school.

Child abuse includes:

- (a) any act committed against a child involving:
 - i. a sexual offence
 - ii. an offence under section 49B(2) of the Crimes Act 1958 (grooming)
- (b) the infliction, on a child, of:
 - i. physical violence
 - ii. serious emotional or psychological harm
- (c) serious neglect of a child. ([Ministerial Order No. 870](#))

Child safety: Encompasses matters related to protecting all children from child abuse, managing the risk of child abuse, providing support to a child at risk of child abuse, and responding to incidents or allegations of child abuse. ([Ministerial Order No. 870](#))

Child neglect: The failure by a parent or caregiver to provide a child (where they are in a position to do so) with the conditions that are culturally accepted as being essential for their physical and emotional development and wellbeing. ([Safe Schools Hub](#))

Child physical abuse: Generally, child physical abuse refers to the non-accidental use of physical force against a child that results in harm to the child. Physically abusive behaviours include shoving, hitting, slapping, shaking, throwing, punching, kicking, biting, burning, strangling and poisoning. The fabrication or induction of an illness by a parent or carer (previously known as Munchausen syndrome by proxy) is also considered physically abusive behaviour. ([Safe Schools Hub](#))

Child protection: Statutory services designed to protect children who are at risk of serious harm. ([Safe Schools Hub](#))

Child sexual abuse: Any sexual activity between a child under the age of consent (16) and an adult or older person (i.e. a person five or more years older than the victim) is child sexual abuse.

Child sexual abuse can also be:

- any sexual behaviour between a child and an adult in a position of power or authority over them (e.g. a teacher); the age of consent laws do not apply in such instances due to the strong imbalance of power that exists between young people and authority figures, as well as the breaching of both personal and public trust that occurs when professional boundaries are violated
- any sexual behaviour between a child and an adult family member, regardless of issues of consent, equality or coercion
- sexual activity between peers that is non-consensual or involves the use of power or coercion

- non-consensual sexual activity between minors (e.g. a 14-year-old and an 11-year-old), or any sexual behaviour between a child and another child or adolescent who, due to their age or stage of development, is in a position of power, trust or responsibility over the victim. Sexual activity between adolescents at a similar developmental level is not considered abuse. ([Safe Schools Hub](#))

Mandatory Reporting: The legal requirement to report suspected cases of child abuse and neglect is known as mandatory reporting. Mandated persons include teachers, nurses, police, psychologists, psychiatrists and medical practitioners. ([Safe Schools Hub](#))

Reasonable Belief: When staff are concerned about the safety and wellbeing of a child or young person, they must assess that concern to determine if a report should be made to the relevant agency. This process of considering all relevant information and observations is known as forming a 'reasonable belief'. A 'reasonable belief' or a 'belief on reasonable grounds' is not the same as having proof but is more than mere rumour or speculation. A 'reasonable belief' is formed if a reasonable person in the same position would have formed the belief on the same grounds.

School environment means any physical or virtual place made available or authorised by the school governing authority for use by a child during or outside school hours, including:

- a campus of the school
- online school environments (including email and intranet systems)
- other locations provided by the school for a child's use (including, without limitation, locations used for school camps, sporting events, excursions, competitions, and other events). ([Ministerial Order No. 870](#))

School staff means an individual working in a school environment who is:

- directly engaged or employed by a school governing authority
- a volunteer or a contracted service provider (whether or not a body corporate or any other person is an intermediary)
- a minister of religion. ([Ministerial Order No. 870](#))

6. Responsibilities and Organisational Arrangements

Everyone employed or volunteering at St Kevin's College has a responsibility to understand the important and specific role he/she plays individually and collectively

to ensure that the wellbeing and safety of all students is at the forefront of all they do and every decision they make. ([CECV Commitment Statement to Child Safety](#))

The school has allocated roles and responsibilities for child safety as follows.

6.1 Guide to Responsibilities of School Leadership

The Headmaster, the school governing authority and school leaders at St Kevin's College recognise their particular responsibility to ensure the development of preventative and proactive strategies that promote a culture of openness, awareness of and shared responsibility for child safety. Responsibilities include:

- creating an environment for children and young people to be safe and to feel safe.
- upholding high principles and standards for all staff, clergy, volunteers, and contractors.
- promoting models of behaviour between adults and children and young people based on mutual respect and consideration.
- ensuring thorough and rigorous practices are applied in the recruitment, screening and ongoing professional learning of staff.
- ensuring that school personnel have regular and appropriate learning to develop their knowledge of, openness to and ability to address child safety matters.
- providing regular opportunities to clarify and confirm legislative obligations, policy and procedures in relation to child and young people's protection and wellbeing .

6.2 Guide to Responsibilities of School Staff

Responsibilities of school staff (school employees, volunteers, contractors and clergy) include:

- treating children and young people with dignity and respect, acting with propriety, providing a duty of care, and protecting children and young people in their care.
- following the legislative and internal school processes in the course of their work, if they form a reasonable belief that a child or young person has been or is being abused or neglected.

- following the EREA Code of Conduct¹ and the Child Safe Code of Conduct. (Appendix 1)

6.3 Organisational Arrangements

At St Kevin's College, the Child Safe Officer is the Deputy Head. All allegations or evidence should be directed to her.

The Child Safe Committee consists of the Deputy Head, the Director of Glendalough and the Director of Students.

7. Expectation of our School Staff – Child Safe Code of Conduct

At St Kevin's College, we expect school employees, volunteers, contractors and clergy to proactively ensure the safety of students at all times and to take appropriate action if there are concerns about the safety of any child at the school. All school staff must remain familiar with the relevant laws, the code of conduct, and policies and procedures in relation to child protection and to comply with all requirements. We have developed a Child Safe Code of Conduct (Appendix 1), which recognises the critical role that school staff play in protecting the students in our care and establishes clear expectations of school employees, volunteers, contractors and clergy for appropriate behaviour with children in order to safeguard them against abuse and or neglect.

The Code also protects school staff through clarification of acceptable and unacceptable behaviour. It should be read in conjunction with the EREA Code of Conduct and VIT Code of Conduct.

8. Student Safety and Participation

At St Kevin's College, we actively encourage all students to openly express their views and feel comfortable about giving voice to the things that are important to them.

We teach students about what they can do if they feel unsafe and enable them to understand, identify, discuss and report on child safety. We listen to and act on any concerns students, or their parents or carers, raise with us.

¹ Edmund Rice Education Australia Code of Conduct (revised Apr 2018)

9. Reporting and Responding

Our school records any child safety complaints, disclosures or breaches of the Child Safe Code of Conduct, and stores the records in accordance with security and privacy requirements. Our school complies with legal obligations that relate to managing the risk of child abuse under the *Children, Youth and Families Act 2005* (Vic.), the *Crimes Act 1958* (Vic.) and the recommendations of the [Betrayal of Trust](#) report.

Child protection reporting obligations fall under separate pieces of legislation with differing reporting requirements.

St Kevin's College **Child Safe Protection and Reporting Obligations**, updated August 2016, sets out the actions required under the relevant legislation when there is a reasonable belief that a child at our school is in need of protection or a criminal offence has been committed, and provides guidance and procedures on how to make a report.

Our policy assists staff, volunteers and families to:

- identify the indicators of a child or young person who may be in need of protection.
- understand how a 'reasonable belief' is formed.
- make a report of a child or young person who may be in need of protection.
- comply with mandatory reporting obligations under child protection law and their legal obligations relating to criminal child abuse and grooming under criminal law.

St Kevin's College has also established internal processes to ensure that appropriate action is taken to respond to concerns about the wellbeing and/or safety of a student. Formal avenues for complaints and disclosure processes are outlined and detailed in the following:

- St Kevin's College Safe Protection and Reporting Obligations
- St Kevin's College Complaints and Grievance Policy
- St Kevin's College Relationship Policy - Bullying and Harassment
- St Kevin's College Pastoral Care and Behaviour Policy

At St Kevin's College, the Deputy Head serves as the Child Safe Officer and is a point of contact for those who have questions or concerns or want to report an allegation of child abuse. She has specific responsibility for responding to any complaints made by staff, volunteers, parents or students in relation to child safety.

10. Screening and Recruitment of School Staff

St Kevin's College will apply thorough and rigorous screening processes in the recruitment of employees and volunteers involved in child-connected work. Our commitment to child safety and our screening requirements are included in all advertisements for such employee, contractor and volunteer positions, and all applicants are provided with copies of the school's Child Safe Code of Conduct and the Child Safe Policy.

When recruiting and selecting employees, contractors and volunteers involved in child-connected work, we make all reasonable efforts to:

- confirm the applicant's Working with Children Check and National Police Check status and/or professional registration (as relevant)
- obtain proof of personal identity and any professional or other qualifications
- verify the applicant's history of work involving children
- obtain references that address the applicant's suitability for the job and working with children.

We have processes for monitoring and assessing the continuing suitability of school staff to work with children, including regular reviews of the status of Working with Children Checks and staff professional registration requirements such as Victorian Institute of Teaching (VIT) registration.

11. Child Safety – Education and Training for School Staff

St Kevin's College provides employees, volunteers and clergy with regular and appropriate opportunities to develop their knowledge of, openness to and ability to address child safety matters. This includes induction, ongoing training and professional learning to ensure that everyone understands their professional and legal obligations and responsibilities, and the procedures for reporting suspicion of child abuse and neglect.

- St Kevin's College Leadership Team will ensure that all staff members have been made aware of the College's commitment to Child Protection through professional development in the Child Safe Policy, Child Safe Code of Conduct and Child Safe Protection and Reporting Obligations, on an annual basis, commencing in 2016 and at the time of employment as part of the Induction Program. Sessional staff will be asked to attend specific meetings with departmental staff to receive this information.
- St Kevin's College Board Members will have specific training on child safe matters in the Induction Program before the commencement of a term of office.

12. Risk Management

At St Kevin's College we are committed to proactively and systematically identifying and assessing risks to student safety across our whole school environment, and reducing or

eliminating (where possible) all potential sources of harm. We document, implement, monitor and periodically review our risk management strategies for child safety and ensure that the strategies change as needed and as new risks arise.

St Kevin's College has nominated the Deputy Head as the person responsible for that process. The Child Safe Committee will meet to actively review all policies, processes and practices.

13. Relevant Legislation

- *Children, Youth and Families Act 2005* (Vic.)
- *Working with Children Act 2005* (Vic.)
- *Education and Training Reform Act 2006* (Vic.)
- *Equal Opportunity Act 2010* (Vic.)
- *Privacy Act 1988* (Cth)
- *Crimes Act 1958* (Vic.) – Three new criminal offences have been introduced under this Act:
 - a) **Failure to disclose offence**: Any adult who forms a reasonable belief that a sexual offence has been committed by an adult against a child under 16 has an obligation to report that information to police. Failure to disclose the information to police is a criminal offence.
 - b) **Failure to protect offence**: The offence will apply where there is a substantial risk that a child under the age of 16 under the care, supervision or authority of a relevant organisation will become a victim of a sexual offence committed by an adult associated with that organisation. A person in a position of authority in the organisation will commit the offence if they know of the risk of abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.
 - i) **Grooming offence**: This offence targets predatory conduct designed to facilitate later sexual activity with a child. Grooming can be conducted in person or online, for example via interaction through social media, web forums and emails.

This Code of Conduct has a specific focus on safeguarding children and young people at St Kevin's College against sexual, physical, psychological and emotional abuse or neglect. It is intended to complement child protection legislation, VIT Code of Conduct, EREA Code of Conduct and Child Safe Policy and Practices, as these apply to staff and personnel. 18. Appendix 2: Child Safe Staff Statement of Commitment

“Catholic schools have a moral, legal and mission driven responsibility to create nurturing school environments where children and young people are respected, their voices are heard and where they are safe and feel safe.” (Catholic Education Commission of Victoria Ltd 2016)

St Kevin’s College is committed to child safe practice. The care, the safety and the welfare of students are embedded in policies and practices which ensure a commitment to zero tolerance of child abuse. All actions and programs will maintain high ethical standards and work in accord with child safe practices and child protection reporting guidelines. The participation and empowerment of all children is a consideration in decision-making, as we seek to provide a safe and nurturing environment where children are respected and listened to.

Furthermore, the principles of child protection (stated in the applicable Child Protection legislation and Child Protection Policy) are a fundamental responsibility of all Edmund Rice Education Australia employees and volunteers.ⁱ The EREA Charter uses four touchstones to describe the culture of an authentic Catholic school in the Edmund Rice tradition. *Liberating Education* seeks to ensure a safe and healthy environment, with the needs of all students being met. *Gospel Spirituality* gives promise to the nurturing and encouragement of all members of the community. *Inclusive Community* promotes the dignity of each person and the fostering of right relationships. Diversity is viewed as beneficial and social inclusion is paramount. This includes the recognition of the traditional ownership and cultural heritage of Indigenous Australia. *Justice and Solidarity* commits the College to advocating justice, promoting reconciliation and being a voice for those who are marginalized in the community.

The College has zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures. We have legal and moral obligations to contact authorities when we are worried about a child’s safety which we follow rigorously. Our school is committed to preventing child abuse and identifying risks early, and removing and reducing these risks. Our school has robust human resources and recruitment practices for all staff and volunteers. Our school is committed to regularly training and educating our staff and volunteers on child abuse risks.
