

Welcome to West Moreton Anglican College... I'm Geoff McLay
(Appears on screen: Geoff McLay, Principal West Moreton Anglican College)

WestMAC is a co-educational, Prep to Year 12 College nestled amongst 38 hectares of unspoilt bushland at Karrabin just minutes from Ipswich Central.

We are committed to delivering 'Affordable Excellence'. That is, academic excellence at an affordable price.

What sets us apart is the strength of the WestMAC spirit. This is a significant element of College life and something we all cherish. Its palpable... you can feel it... and it shines in the camaraderie, interconnectedness and mutual respect between students and staff across our Junior, Middle and Senior sub-schools.

With over 150 College staff, our curriculum is both diverse and engaging and our extracurricular activities are exciting, challenging and varied.

We have been teaching and nurturing the individual gifts and abilities of young people from Greater Ipswich, West Brisbane and the Lockyer and Brisbane Valleys for 22 years now, with a strong record of academic, cultural and sporting achievements too numerous to mention.

I would like to invite your family to come for a personalised tour of WestMAC so you can see our great College for yourself. I look forward to seeing you on campus soon.
