

DO YOU HAVE OR ARE YOU ELIGIBLE FOR A HEALTH CARE CARD?

To receive the concession rate on your Certificate I to Certificate IV course you must have a valid Health Care Card at the time of your course commencing.

GOTAFE is able to provide a grace period of three (3) weeks to students who provide proof of concession. Important: the date on your proof of concession must be dated prior to or on the first date of the commencement of your course.

You must present your original Health Care Card or certified copy within **three (3) weeks of your commencement date.**

If you are unsure of your commencement date please speak to your Trainer or contact our Client Service Centre.
