08:12:20 From GiGi Quinn : Ok I'm still confused
08:12:32 From Suzzannee Chappelle : symptoms of exceptional unwellness lately may be specifically congruent with solar flares and increased wifi microwaves. This is expected in 2017 and IS going to increase.
08:12:34 From Lynn E. Thompson : sinc wink last week it was suggested to me to play with magnets to help me to feel my energy field and to block unwanted energies

08:15:35 From dawn : wow
08:15:58 From Suzzanee Chappelle : all diseases are cureable by its own function...use fungus to cure fungal issues...magnetic fields can be used for radiation
08:16:09 From GiGi Quinn : I just bought magnets last week.....
08:16:36 From Sam : There were awhile ago
08:16:47 From dawn : very interesting
08:16:53 From sarahrobertson : My daughter is super sensitive to energy and it makes her act like a bi-polar person, even though she doesn
08:17:02 From Susanna.C : can we have a list of the symptoms ?
08:17:02 From Moksha James : magnetic fields cure radiation?
08:17:04 From sarahrobertson : she doesn't have bi polar disorder
08:17:12 From Moksha James : link?
08:17:24 From Suzzanee Chappelle : yes

08:18:04 From sarahrobertson : She is an empath!!

08:18:05 From Jeanette Edwards : I get cramps been menopausal for 9 years
08:18:05 From GiGi Quinn : yeah...dawn
08:18:07 From Suzzannee Chappelle : i have not had a petiod for 3 years and experienced similar
08:18:07 From Tulla Hills : yeah
08:18:23 From Susanna.C : omg
08:18:28 From loma : Thanks,Ann would the S.pole magnetics make water affect us more?
08:18:30 From Jeanette Edwards : just started the past 6 months
08:18:35 From Tulla Hills : hahaha
08:18:48 From Sam : I take black cohosh

08:19:44 From Jeanette Edwards : remember I pet goat with the old lady in the penis tower started to get her menses
08:19:50 From Sony : Can anyone tell me what helps with "heart attack like" anxiety attacks? Thank you!
08:19:52 From JM Stiffler : Everything is a frequency of some sort and magnetics affect freqencies
08:20:00 From Jeanneane Kloss : you can imprint it into an oil
08:20:07 From Jules Salonen : Hi Dawn and Michael
08:20:17 From phillip s : Rife machine produces a square wave which it then modulates into a sine wave which is set to the frequency of a particular disease etc
08:20:17 From Sophie Davis : Hello everyone :)
08:20:19 From Aaron Woffinden : for example: ozonated olive oil
08:20:24 From Susanna.C : did it work
08:20:28 From Serena : sony pure ylang ylang essential oil helps with the heart, been using it for years, hundreds of ''attacks'' disappear with this oil.
08:20:37 From Jules Salonen : @Sony... here too
08:20:43 From Sam : Sony drink tea with tumeric
08:20:44 From Jules Salonen : thanks serena

08:20:56 From Ollie and Dani : Biogeometry
08:20:57 From Sony : @Serena...thank you...anxiety attacks, specifically?
08:20:58 From Serena : welcome
08:21:03 From Aaron Woffinden : i bet the process is similar
08:21:04 From Sony : Thank you, all...
08:21:11 From Serena : yes anxiety and attacks, pain in the heart, yes
08:21:13 From Sam : any of these these work
08:21:23 From Susie Ganiere : Double Blind Studies on Scalar Therapy here: <https://www.selfhealgo.com>
08:21:25 From Suzzanee Chappelle : i use my earthing coils to countertact radiation...uses Cymatic resonance...works well.
08:21:44 From Nick Mayorga : there are Rife FB groups
08:21:44 From Aaron Woffinden : suzzanee --> interesting!
08:21:45 From Susanna.C : you should Dawn
08:21:47 From Sam : tumeric for everything!
08:21:48 From Nick Mayorga : lots of them
08:21:48 From Sony : 🍷
08:21:58 From Suzzanee Chappelle : 3 years of tests
08:22:01 From suzanna cat : anyone heard of dr sam muggzzi .. she has this computer aided machine... cant remember what it called now..
08:22:02 From Nick Mayorga : Also lots of Radionics groups
08:22:06 From Serena : also home brewed kombucha and kefir helped alot with anxiety. I had it intensely.
08:22:06 From Elena : i thought it was frequency
08:22:09 From Blair Bierman : I've had those type of Anxiety attacks from pot...literally feels like you are dying..bpm did raise significantly high for me, went to the hospital lol
08:22:11 From Tulla Hills : can i just come live with you dawn? lol! I will use it!

08:22:43 From Sony : @Blair...yes, that is what I feel...
08:22:48 From Jina Fergus : I'm getting kicked off. having to rejoin. wierd
08:22:52 From phillip s : very small magnetic field
08:22:53 From Serena : mugzie has scio machine
08:23:07 From Suzzanee Chappelle : 432 hetrz best for body
08:23:07 From suzanna cat : thanks Serena
08:23:11 From dawn : interesting
08:23:12 From JM Stiffler : We as spirit can move anywhere, we don't need to bring the body to the frequency but pick up the frequency and then take it to the body

08:23:17 From Suzzanee Chappelle : 518 useful for virus
08:23:25 From Sophie Davis : is this machine used for pain etc?
08:23:26 From Molly French : SAm Muggzi uses that treatment
08:23:28 From Aaron Woffinden : 432 hz!
08:23:33 From Norm : a long time friend is a retired scientist and published member of the Tesla society; this friend has advised me that during Rife's times the resonance frequencies of the human bodies was significantly different than the much increased resonance frequencies of our present bodies.

This friend advised that the original Rife frequencies now don't correctly function with our higher resonance frequencies.

08:23:33 From Suzzanee Chappelle : 722 useful for auric field
08:23:33 From Jeanneane Kloss : you can imprint it
08:23:36 From Serena : welcome
08:23:39 From GiGi Quinn : water has memory
08:23:45 From Aaron Woffinden : solfeggio frequencies
08:23:55 From Suzzanee Chappelle : triangulation of all 3 at once is the best
08:24:03 From Blair Bierman : Liquid ativan calmed me down at the ER...lol but uhm yes, I couldn't even talk myself down..it didn't work the anxiety even labored my breathing pretty bad..but I have a lot of anxiety 24/7 anymore
08:24:06 From alisonwhite : Thanks for that Norm
08:24:07 From Jeanneane Kloss : my hubby does it
08:24:09 From VIOLET : Norm...makes sense
08:24:22 From Aaron Woffinden : solfeggio frequencies include all these numbers
08:24:26 From Suzzanee Chappelle : can download free app and use alone or with coils
08:24:27 From phillip s : I know of groups that use rife frequency to water to make homey type treatments
08:24:28 From Stacey Turner : Micro dosing
08:24:41 From Cindy Klotz : Intention is everything!!
08:24:45 From Molly French : Muggzi did a treatment to JP the other day, she called him donut guy lol
08:24:50 From Merce Garrido : she use to clutter my facebook newsfeeds :/ so much and doesn't answer to questions on posts so - sam isn't on my focus anymore as much as 3 years ago
08:24:53 From Susanna.C : do we need a machine to do that then ?
08:24:58 From Daniél G. : <http://www.spooky2.com> The most affordable rife machine under \$500...and it works remotely!
08:24:59 From maggie : What if every one shared the intent>
08:25:01 From phillip s : the patient then takes so many drops per day over a treatment period
08:25:03 From Suzzanee Chappelle : yes
08:25:05 From suzanna cat : yes Molly i saw that show... lol
08:25:08 From Sony : @Blair...and the thing is I did not know I have anxiety...it was a surprise...
08:25:09 From GiGi Quinn : lets make a post for it

08:25:17 From Nick Mayorga : there are spooky2 groups that have plans to even make your own tools
08:25:18 From Suzzannee Chappelle : yep
08:25:29 From Molly French : Go for it Dawn!!!!
08:25:29 From Susanna.C : if intend is importend then do we need amachine ?
08:25:30 From Sophie Davis : oh this is used for cancer?
08:25:36 From Susanna.C : and not just the intend
08:25:37 From Jaqueline Raye : Go for it!
08:25:37 From Suzzannee Chappelle : please do i learned this from reiki mastet
08:25:47 From Suzzannee Chappelle : codes
08:25:47 From Hextilda Lemon : we ca talk about it during ci
08:25:48 From GiGi Quinn : GO DAWN!!!
08:25:51 From Arch Stanton : harmonics?
08:25:56 From Stacey Turner : TY Dawn

08:27:17 From Aaron Woffinden : Solfeggio Frequencies: <https://attunedvibrations.com/solfeggio/>
08:27:20 From Lynn E. Thompson : rife docu taken down.
08:27:25 From Blair Bierman : Yes hasn't happened in over 2yrs now :) thank you, same to you<3 @Sony
08:27:34 From Suzzannee Chappelle : neat
08:27:42 From Nick Mayorga : or concentric circles *winkwink*
08:27:43 From Sony : @Blair...wonderful!
08:27:54 From Molly French : wow
08:28:00 From Daniél G. : Spooky2 rife machines even diagnose and checks for illness and all sorts of maladies...It's cool! ;)
08:28:04 From John A : thats the rotating toroidal field of earth
08:28:06 From Hextilda Lemon : a bunch of us just get kucked off?
08:28:14 From Maria's iPhone : this makes a lot of sense
08:28:17 From Molly French : say it Lisa
08:28:22 From JM Stiffler : yes John correct
08:28:27 From Tulla Hills : its like this whole planet is a big battery
08:28:32 From Suzzannee Chappelle : thanks john
08:28:46 From Jina Fergus : You too Hex?
08:28:48 From Sony : Yes, John...that is what I thought, also...
08:28:48 From Jaqueline Raye : I get it, directions are so random anyway, always seem to be adgusting
08:28:50 From Reintke : then it will be flade
08:28:53 From Blair Bierman : keeps you here
08:29:02 From Merce Garrido : was also my thought of pos./neg. like

the yin/yang

08:29:04 From Suzzanee Chappelle : is the actual grid in conjunction with longitude?

08:29:11 From JM Stiffler : This planet is more of a mix, condensor and capacitor

08:29:13 From Joseph Bryan-Royster : Levity, Gravity, and the Zero Point...

08:29:21 From Aaron Woffinden : duality?

08:29:22 From Norm : one of JP's regular guests has been Sharry Edwards, where Sharry Edwards BioAcoustics measurements are to determine the "absence" frequencies" within each respective person.

Sharry's premise is that all disease conditions are just the absence of the specific missing frequencies, and where clients do experience many spontaneous remission of pain symptoms when they listen to the missing frequencies (from their individual energies)

08:29:25 From Tulla Hills : yes JM!

08:29:35 From Suzzanee Chappelle : yep

08:29:37 From Aaron Woffinden : reducing duality?

08:29:43 From Merce Garrido : to yin/yang

08:29:49 From phillip s : North is Negative

08:29:54 From Blair Bierman : hahaha

08:30:00 From Brenda : realm

08:30:03 From phillip s : South positive

08:30:04 From Aaron Woffinden : merce --> yeah

08:30:04 From Joseph Bryan-Royster : Sphere?

08:30:15 From Candice Polglase : well, thats intereting. woke up at 3am with the phrase in my head 'gravity doesnt just go in one directions, but in all directions' makes sense now

08:30:16 From Merce Garrido : :)

08:30:18 From Phay : sharry does a free course worth taking quite interesting involved to be a practitioner but not expensive

08:30:21 From Suzzanee Chappelle : absoltuely

08:30:23 From Tulla Hills : so what are we powering?

08:30:24 From jaygray : Yep the torroidal field John!

08:30:25 From Chris Breakspear : space ship hollowdeck

08:30:31 From Merce Garrido : waves come to mind

08:30:39 From Maria's iPhone : this show is so cool xxx

08:30:42 From Suzzanee Chappelle : resonance of light

08:30:50 From alisonwhite : doesn't that go along with what Donnas son said of the slices?

08:30:58 From vlatka : soth pole positive google says refered to

08:31:00 From phillip s : sometimes the lines are squeesed closer to each other causing increases in the effect

08:31:00 From Aaron Woffinden : maybe its a frequency range? more female than a single direct (male) way

08:31:05 From Merce Garrido : or spirals

08:31:05 From Jaqueline Raye : waves= spirals in reality

08:31:08 From jaygray : so points where they touch 3D would make these lines?
08:31:13 From Suzzanee Chappelle : thanks phil
08:31:20 From Blair Bierman : @Tulla sometimes, I don't know if I want to know...very subconscious answer there
08:31:21 From JM Stiffler : true south = +
08:31:26 From Tracy White U.K : paulo Coelho believes that tuning to the frequency takes us to another level of being
08:31:32 From Norm : Phey = Sharry's full course is a definite investment
08:31:32 From Molly French : Sounds alot like what Audrieuous talked about how his ships are made with gravity internally....Lisa you should interview him and he will answer that question
08:31:47 From Aaron Woffinden : broadcasting a range of solfeggio frequencies could be interesting
08:31:50 From Wanda : Liver Positive pole of body's battery, Excretory functioning – emunctory/cleansing through hepatic circulation, Secretive functioning – through gallbladder/bile/intestines, Gallbladder, Kidneys, Negative pole of body's battery, Secretive functioning (although the readings mention both excretion and secretion from this organ), Pancreas, Spleen.
08:31:51 From Ann Callaghan : Yes
08:31:53 From garydavis : Couldn't sleep last night felt like angina got up put on headphones listens to 432Hz fine in minutes.

08:32:01 From Jaqueline Raye : YES!!
08:32:11 From phillip s : think of the grain of a tree displaying the levity lines of frequency
08:32:11 From Jaqueline Raye : Nassim is amazing
08:32:13 From JM Stiffler : the distruption areas on the planet are the lei lines
08:32:28 From Susanna.C : there were weird ripples in the aussie sky remember
08:32:29 From Merce Garrido : yes he is :)
08:32:36 From Jaqueline Raye : ;)
08:32:43 From Aaron Woffinden : DANI! the puzzle pieces are all seeming related!
08:32:46 From Suzzanee Chappelle to Lisa M Harrison (Privately) : did you hear the vice chancellor or some such of Canada was fired today- no explanation.
