

HP 300s+ Scientific Calculator

Arm yourself with the sophisticated HP 300s+ Scientific Calculator with advanced arithmetic, algebraic and trigonometric functions to tackle your most challenging math and science courses.

Textbook format display

Work in low-light conditions with solar power plus battery backup. Help protect your HP 300s+ from bumps and drops with the durable slide-on cover.

Easily view equations on the sleek 60.5mm x 24.3mm LCD display.

User-friendly architecture.

See expressions as you would on paper. View your entry and the result at the same time with a student-friendly, 4-line, 15-character textbook display.

Improve accuracy and efficiency – use navigation keys to scroll through equations and edit recent entries.

Display results in your choice of engineering, scientific or standard notation.

Store and recall important results and data with nine easy-to-use memory keys.

Ideal for math and science students.

Solve math and science problems efficiently using 315 built-in functions.

Use a full library of algebraic, logarithmic, trigonometric and hyperbolic functions as well as their inverses.

Calculate common probability functions including permutations, combinations and factorials.

Advanced features.

Streamline prime factorization, whole number division, fraction reduction and GCF/LCM calculations with built-in tools.

Perform decimal and hexadecimal conversions. Convert from decimals to fractions. Make metric and imperial unit conversions. Easily enter one and two-variable statistical data with table-based editor. Calculate mean, standard deviation, variance, regression analysis and more.

HP 300s+ Scientific Calculator

Part number	NW277AA
Display	Linear display; 31 x 96 dots x 15 digits
Display type	4-line LCD, textbook format display
Product color	Black
Enclosure material	Plastic
Entry system logic	Algebraic
Menus/Prompts	No
Keyboard	Alphanumeric
Best used for	General Math; Algebra; Statistics; Trigonometry
Math functions	Metric conversions; simultaneous equations; simplification; integer division; GCD/ LCM; prime factorization
Power supply	Battery: LR44 x 1; Solar cell built into front of calculator
Auto power off	5 minutes
Weight	112 g (3.95 oz) Without cover
Dimensions	7.9 x 1.5 x 15.3 cm (3.04 x 0.59 x 5.79 in) Without cover
Warranty	3-years warranty
What's in the box	Calculator; slide-on protective cover; battery; user guide
