Product information

High Visibility breathable Micro Mesh long sleeve Flame Resistant polo with 3 button closure and a single breast pocket. Made from the worlds latest Micro Mesh Technology with Flame Resistant yarn and anti-static carbon fibre thread. This garment is finished with a Texpel treatment to protect from staining, lock in brightness and keep fabric cool.

Polyester Micro Mesh Flame

Constructed from a flame resistant yarn of 100% Polyester Micro Mesh, this breathable fabric offers maximum protection to the following standards: AS/NZS 4602.1:2011 D, EN ISO 20471, EN1149 and EN533. This Polyester Micro Mesh is durable, breathable, wicks moisture away from the skin, ensuring maximum comfort throughout the day. This fabric has the ability to withstand flame spread and protect against the danger caused by static electricity.

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.

Standards
