Product information

For precise operations requiring maximum dexterity. Dexti-Grip is the number one choice for general assembly work and precision parts handling where surface oil is present. Breathable seamless liner offers maximum dexterity and a second skin snug fit.

General Handling

The General Handling and Grip Glove category is still one of the most popular collections within Portwest's Hand Protection Range. A carefully selected range of coatings, including Latex, Nitrile, Polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacture methods are used in the production of Portwest's extensive range of Hand Protection products.
