- 5 All schools are to provide umpires for their Y7/8 team and Y7 team (Preferably National “C” for the JUN division) the rest of the umpires will be organised by the carnival convenor. Umpires must wear “whites” or their school PE uniform. Schools wishing to supply additional umpires will need to submit names and qualifications to the carnival convenor prior to the end of Term 2 (additional adult umpires with National “C”: badges or higher will be added to the paid pool). Only ‘C’ badged umpires or higher will be accepted for the Y9/10 and Y11/12 divisions. Pool umpires will be randomly allocated teams for the day and paid the appropriate rate.
- 6 Late for First Round Only: if a team is late for the first round of competition due to transport problems, the game will be played with no penalty to the team if it is before the completion of the first half. The time will be whatever time is left in that round. If the team arrives after the first half it will be up to the two teams to decide whether to play or not. If an agreement cannot be reached the game will be deemed a forfeit by the late team.
- 7 A team is deemed to have forfeited a game if they are more than two minutes late. They can still play the game but no points will be awarded to the late team. The score will be recorded as 15-0.

- 8** The top 2 teams determined by the overall point score will play in a grand final at the end of the day to determine the champion school for each division. Where a two pool system is operating there will be semi finals played between Broken Bay affiliated schools only to determine positions in the final.
- 9** At the conclusion of the round robin, if a tie occurs the results will be based on goal average for each team as follows:
  - I. Highest goal difference
  - II. Most goals scored in favour
  - III. Least goals scored against
  - IV. The school that won the previous encounter between the 2 teams in their pool game.
  - V. Goal average: Total number of goals scored by the team, divided by the total number of goals scored against the team, multiplied by 100 and divided by the actual number of matches played by that team. The total number of matches played includes a match a team has forfeited, but does not include a match where a team has received a forfeit.
- 10** If a draw occurs in the semi final no extra time will be played, the team finishing higher in their pool will advance to the final (ie the team who finished first). In the event of a draw in the final a 2 minute break will occur, followed by an extended playing time of 2 minutes each way (30 second half time) and if a draw still occurs the two teams competing will be deemed joint champions.
- 11** Medals will be awarded to the grand final winners, and runners up.
- 12** If the day is abandoned after every team has played at least 3 games medals will be awarded. Where a tie exists, goal averages will be used to determine first and second place.
- 13** Schools may enter one team in each division.
- 14** To follow NSW CCC Championship rules 'Opens' teams are allowed players in Y7-12.
- 15** Students should only play in one division unless permission is granted by the carnival convenor due to exceptional circumstances on the day (eg multiple injuries). Once a student plays in up in a higher division, she must remain with that team for the remainder of the day otherwise points won by both teams while she was playing will be forfeited.
- 16** No injury time will be played except in the grand final. A maximum of 2 minutes injury time will be played at the end of the grand final, if an injury has occurred during the match.
