

Our newsletter **Deaf Catholic News** is an important way for us to pass on information in the Deaf Community and keep everyone up to date. For many years we have been making and posting out our newsletter and many people enjoy receiving it.

If you would like, we can email the newsletter to you instead of posting it to you. This helps us save on our printing and posting costs. It also saves trees! A copy of the newsletter is also available on our website www.ephpheta.org.au. If we have your email address we can also send you updates and information about things that are happening.

We rely on your donations to help us with the costs of printing and mailing the newsletter. It is now time to send in your donations for the new financial year. We value your financial support and we can send you a receipt if you want one for tax purposes.

If your address has changed or you no longer want to receive the newsletter please let us know.

Please fill in your information below and fax (9709 5638) or mail back to the Ephpheta Centre (4 Turner St Punchbowl NSW 2196). You can also email us to office@ephpheta.org.au

Your name _____

Donation included \$10.00 (suggested amount)/other \$.....

I would like a receipt for my tax
