## *Come Along and be a Part of History!*

### **World Federation of the Deaf Conference will be here in Sydney!**

Many people may have heard that there will be a conference here in Sydney on the 16<sup>th</sup> - 18<sup>th</sup> October 2013. Ephpheta is working as part of the committee to organise the conference. The theme for the conference will be *Equality For Deaf People* and the people who will speak will be talking about all different ways Deaf people have achieved Equality or what needs to change to give deaf people Equality.

Many of you might be wondering, "Is the conference right for me?" There will be many different people presenting about interesting and wonderful things happening from all around the world, Albania, Finland, Norway, South Africa, India and even the Democratic Republic of Congo - this will be an opportunity of a lifetime to hear about what life is like for deaf people in far and interesting places and it will happen right here in Sydney!

There will be hundreds of people from Deaf communities from around the world here in Sydney for the week of the conference, we hope that the Sydney Deaf Community will come out to meet them, get to know them and share the wonderful experience of being one large International Deaf Community.

Many of you know the Deaf Society NSW are celebrating their centenary (100 year anniversary) this year - there are a lot of events that are happening around the time of the conference like the International Deaf Film Festival, the 99<sup>th</sup> AGM, the International Deaf Festival and the Afternoon Tea Party at Town

Hall... These are all events that we should not miss!

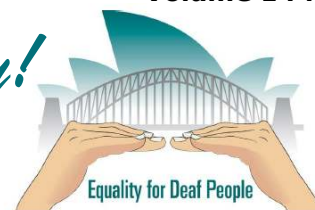

There is a lot of information about them on the Deaf Society of NSW's new website.

Why should we all celebrate the Deaf Society's birthday? One very good reason is - this year is really a celebration of the many things that the Deaf Community of NSW has achieved over the last 100 years. In our country, our white, non-indigenous history is less than 230 years old and our Deaf community have had an organised presence for more than 100 years - this is a big deal and something we should all be proud of and celebrate! There is a committee of people working on a website of our Deaf Community's history that will be launched at the Centenary Afternoon Tea Party. Brian and Dennis Johnston are both on the committee working very hard to find information and photos of old times. Congratulations to Brian and Dennis and the whole committee, this website will be wonderful for our community and future deaf children for many years.

Now it's time to buy your tickets to the events and your registration to the conference. Remember - **It's a once in a lifetime event!** All tickets must be bought on the internet, if you don't know how or don't use the internet, please ask us at Ephpheta, we can help you with this. You can also volunteer to help at these events - see these websites for more information:

# DIRECTOR'S DIARY

Dear Friends,

As I pondered what to write in my first Director's Report for the year especially after the long layoff, I left it until the last minute. Firstly I must say it is great to be back and I thank you for your prayers which were much needed. I also thank God for the doctors and nurses who patched me up.

Finally I decided what to write after I went for a bike ride last Sunday 26<sup>th</sup> May. It was Trinity Sunday, a glorious day with beautiful weather, I met up with friends and the 9 of us began our ride through Brooklyn, Wollombi, Broke then on the Putty Rd stopping at Putty, Colo Heights, Wilberforce and Windsor before returning home.

With the power of the Yamaha FJR motorcycle beneath me and the freedom of exhilaration, I took in the sights of the country as I rode through all the towns and absorbed all God's wonderful creation. Mind you I was within the limit and a touch over on some occasions! My friends commented on the clear blue sky and the fresh air and what a wonderful day it was to team up and share the experiences. I reflected on the mysteries of God's creation and how He created all these from nothing. Despite what the scientists, researchers,

biologists and archaeologists come up with the earth that is supposedly billions of years old and how life began; yet it is a mystery beyond our wildest dreams.

Talking about mysteries, another mystery is the Holy Trinity; Father, Son and the Holy Spirit three in one! What does it mean by 3 in one? I think it is pretty much the same as in my 2<sup>nd</sup> paragraph, a mystery beyond our imagination.

Listening to the priest's sermon at Saturday's vigil, he pointed out that not everyone understands what it means or that we might feel it is too hard to know about it. Maybe it is boring because it doesn't make sense. We learnt or were taught that God is our Father that Jesus is the Son of God and then there is the Holy Spirit. But who is the Holy Spirit? Is it really a dove or tongue of fire as in Pentecost? It is important to hear that Jesus said the Holy Spirit is the "Spirit of Truth". God our Father speaks to us through the Holy Spirit, He will guide us to all truth, and He will glorify Jesus. In our life sometimes we ask the Holy Spirit for wisdom, guidance and strength so that we can deepen our faith. Riding the Yamaha FJR along the Putty Rd thinking, even though I do not

claim to fully understand the mystery of the Holy Trinity but to have faith in what Jesus told us will bring us closer to God even with all His mysteries. We can always ask and trust that the Holy Spirit will guide us through life's journey.

To conclude this I would like to give my praise to the staff at Ephpheta Centre for their tireless work without yours truly at the Christmas and Easter celebrations. I believe they have done very well to support all of you while I was laid up at both celebrations. Again, your prayers were much appreciated and together I would like to pray for those who are currently ill.

Ephpheta to you,

Be Open,

*Big Steve KSS*

# Rebranding the Ephpheta Centre!

With our **NEW Website & NEW Logo!!**

A new look for the Ephpheta Centre!

We have been hard at work with a new logo and a brand new website!

The people at our Easter Vigil mass received an Easter card showing our new logo, which we will officially start to use soon.

So why did we choose this as our logo?

There are 3 main colours - light red (the blood of Christ, our life force) , gold (light – Jesus our light in the world) and white (peace and purity) . The new logo has few meanings and tries to tell a few things:

1. The central vertical stick in the logo represents Jesus as the community leader.

2. The wavy curve around part of the logo is Jesus embracing His people who He loves

3. The whole logo represents the Cross on which Jesus died for us...

The Ephpheta Centre is working on a brand new website with lots of information in Auslan - we will have it ready soon!

The WFD Conference & Centenary Program has so many events, we thought we'd list them here for you:

## Wednesday 16th October

WFD Conference Welcome Reception - 6.30pm-8.30pm

Here is a sneak preview of some new Ephpheta website pages!

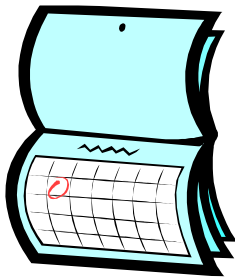

You can see we will have a "Deaf Directory" button which will go to a page of different Deaf owned businesses and their contacts. If you or someone you know wants their business in it please contact Danni [danni@ephpheta.org.au](mailto:danni@ephpheta.org.au) to give information for this page.

The whole website will have accessibility options so if you can't quite see well, you can change contrast or the website font bigger! Don't you think the new flashy buttons look great?!

# Out and About in the Deaf Community

## Deaf Men's Day Out at Illawarra Fly Treetop Walk

On a sunny Friday, 17th May, Donovan and I went to the Illawarra Fly Treetop Walk near Robertson in the beautiful Southern Highlands region with 13 other Deaf male seniors. We walked on the elevated steel treetop walk.

It has two gently swaying cantilevered arms and a central tower raised fifty metres off the forest floor. We had stunning views of the rainforest and out to the ocean. It is an amazing nature experience! For lunch, most of us had yummy fish and chips for lunch.

We then drove to the Carrington Falls and we browsed through the forest to get a glimpse of the steep water fall. Thank you for a great day! The next event is on 19th August at Q Station. See page 5 for more information.

David Parker, Deaf Men's Group

On Friday 17th April, we ran a Photo Workshop at Deaf Society of NSW on a cloudy day for a group of Deaf young people. The lovely Sue Wright was the presenter and she gave an interesting presentation on how to use a Digital Camera (SLR) properly and we learnt about the fundamentals of using a

camera. We learnt quickly about what white balance, aperture, speed, focus etc. We then walked to Parramatta

river next to the Riverside Theatre, so we could take photos of the free running water with various photo settings. We also took many photos of a very friendly duck.

Matthew White was sitting down and this duck waddled up and stood next to him and fell asleep! ☺

## Fr Peter Woodward travels the world! See his stories in the next issue!!

Fr Peter Woodward has arrived home safe n sound from his worldly travels! His journey included Italy, France and other countries. Here are some sneak peeks into his travel photos. Watch out for his travel stories in the next newsletter!

# Our First Women's Day Out!!

On Tuesday 14th June, a lovely warm sunny day, we had our very first Deaf Women's Day out! About 35 deaf ladies, led by Nicole and Danni from the Ephpheta Centre, met for a tour of the Rocks in Sydney.

We met at the Rocks café and then had our own tour around places of interest in the Rocks –

we saw the "Suez Canal", Sailor's Home, the Nurses Walk, Campbell's storehouses, the Rocks Discovery museum checking out old broken antiques from the homes in the area and more. We were all very interested to hear stories of Sydney's past – we all thought that it must have been a fairly

scary place to live! We then finished with a tour at the Rocks Museum and a display of lolly making at the lolly store which was fantastic. All finished with a yummy lunch and then home!

Our next Deaf Women's Day Out will be at the Korean Culture Office! See page 4 for more information.

## Religious Interpreter Workshop

In early April we ran a Religious Interpreting workshop here at Ephpheta with SLC NSW. We had 30 people attend, interpreters and

interpreting students. Our very own Nicole Clark did a wonderful job leading the workshop!

The workshop focused on the parts of religious services – the Mass, other Christian Sunday services and funerals. Often interpreters feel nervous about interpreting in church so we hope to support interpreters while they build their confidence to do more of this kind of work.

The feedback from the workshop showed that everyone gained a lot from the day. Good work Nic!

## Hehehehe!!

Three rich brothers each wanted to do something special for their elderly mother on Mother's Day.

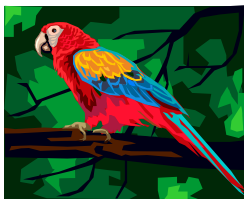

The first brother bought her a huge house.

The second brother gave her a limousine, with a driver.

The third brother remembered that his mother used to love to read the Bible, but couldn't see well anymore, so he got her a specially trained parrot that could recite any verse from the Bible on demand.

Soon, the three brothers received thank-you notes from their mother.

The note to the first son said, "The house you

bought me is much too big! I only live in a small part of it, but I have to clean the whole thing!"

The second son got a note that said, "I rarely leave the house anymore, so I hardly use the limo you gave me. And when I do use it, the driver is so rude!"

The third son's note said, "My darling baby boy, you know just what your mother loves! The chicken was delicious!"

A Sunday School teacher began her lesson with a question, "Boys and girls, what do we know about God?"

A hand shot up in the air.

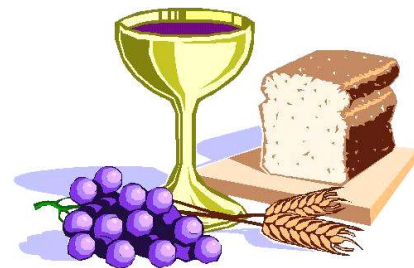

"He is an Artist!" said the kindergarten boy.

"Really? How do you know?" the teacher asked.

"You know - Our Father, who does art in Heaven..."
