Volume 14 No 2

Our New Pope!!

On 14th March we woke to the news that we have a new Pope! He is Cardinal Jorge Mario Bergoglio from Argentina in South America. He is 76 years old. He chose the name **Francis**.

He is a member of the Jesuit order of priest. The Jesuits (also known as the Society of Jesus) are a very old order of priests. They have a focus on learning and promoting faith through education. They take vows to be poor, to not marry, to be obedient and to serve the Pope.

On 19th March there was the official ceremony when he was "installed" as Pope. There were more than 200,000 people who had gathered in St Peter's Square in Rome for this occasion.

In his homily he spoke very strongly about protection – about how the Church needs to look after the poor and needy, about how we all need to care for the earth and for each other.

In words of great simplicity and humility the Holy Father told us that we all need

to be in the role of protector to do God's work:

"It means protecting people, showing loving concern for each and every person, especially children, the elderly, those in need, who are often the last we think about. It means caring for one another in our families: husbands and wives first protect one another, and then, as parents, they care for their children, and children themselves, in time, protect their parents. It means building sincere friendships in which we protect one another in trust, respect, and goodness. In the end, everything has been entrusted to our protection, and all of us are responsible for it. Be protectors of God's gifts!"

DIRECTOR'S DIARY

My Dear Friends,

Welcome to the latest edition of our newsletter – it is hard to believe that we are in April already.

It has been a time of change for our Church. We have had the shock of dealing with the resignation of our Pope Benedict (something which has not happened in 600 years) and with this came uncertainty as to what would happen. We pray for Pope Benedict and give thanks for all of his years of dedicated service to the Church and its people.

We then had the very exciting election of our new Pope Francis which is great news. From what we have seen and heard of our new Pope, he seems a very special and holy man. In the few short weeks that he has been our Pope he has already given us some interesting signs as to what sort of man he is – his humility (catching the bus rather than having a special car), his dedication to the poor (having the Lord's Supper Mass and the washing of the feet at a gaol for young people in Rome rather than at St Peter's in the Vatican) to name just a few. He seems a man who wishes to stay very connected with his people – he has chosen to live in a hostel with other cardinals rather than

live in the Papal apartments in the Vatican. I think that we can all take something from our Holy Father's example – sometimes we should take the less expensive way, or decide to share with others rather than just taking for ourselves.

I ask you to join with me in praying for our Holy Father and for God to guide him and bless him.

We have just finished our Easter celebrations and as always give thanks for the gift of rebirth and new life which comes with Easter. Easter is truly the most important event in the Christian calendar as we suffer the death of Jesus on the Cross confident in knowing of his resurrection. Easter is a great time to sit down and have a think (and a pray) about where you are in your life and how you can better live the life which God asks of all of us. Easter is a time when we are reminded of the incredible love which Jesus has for all of us – that Jesus suffered and died on the cross so that we can all live with God in glory.

Ephpheta to you.

Big Steve KSS

Hello,

Just a short note from me to say that, as many of you know, Stephen is unwell and is out of action for a while. Stephen has had a few operations and to date is progressing back to good health, the doctors are confident he will be good as new in no time at all!

Easter this year was yet again a wonderful celebration of our

faith. Thank you to all the people who worked so hard to make our services special. I find it uplifting to see our beautiful Easter Liturgy celebrated in our language, our way. This year was my 12th year of sharing Easter with the Deaf Community and I could not help but thank God for the wonderful opportunity I have to be part of this small but important group.

While Stephen is away the Ephpheta team will be working hard to make sure everything is running smoothly. If you have any questions or concerns please feel free to contact me or any of the staff. Please keep Stephen and his family in your prayers.

Peace,

Nicole

Pastoral visit

What is a Pastoral Visit?

Our Pastoral workers are happy to visit any deaf person for 1 hour's chat and company. It can be at your home or we can meet at a café for coffee.

Pastoral Visits are not only for sick people or people in Nursing homes. We are happy to meet with any deaf person.

You might have a problem you want to talk about or maybe you just need some support. Maybe you would just like some company with another deaf person, You don't have to be Catholic - It is for anyone who is deaf.

If you would like a Pastoral visit, please contact Donovan donovan@ephpheta.org.au

Symbols of the Pope

There are many symbols which we associate with the Pope. What are the symbols of our new Pope and what do they mean?

The Pope's ring

Pope Francis' official ring looks like gold, but in fact is only gold plated. He picked the simplest ring out of the different models which were offered to him.

The Pope's ring is known as the Fisherman's Ring. This refers the apostle Peter, who was a fisherman. Pope Francis' version depicts St. Peter holding the keys of the Vatican. Each Pope picks his own ring, which will be destroyed at the end of his papacy.

The ring was one of several offered to Francis. It was made in 1960s for Pope Paul VI but we do not think that Paul VI ever used it.

The Coat of Arms

Pope Francis has the same coat of arms he had when he was archbishop of Buenos Aires. He has added to it the papal symbols of the gilded miter (the pointed hat) and crossed gold and silver keys bound with a red cord (a symbol of the keys to the kingdom of heaven).

The shield itself shows a **star** (in religious writing Mary is often referred to as a star), a **grapeliike plant** (which is called a nard flower - Joseph is often represented as holding a plant) and a **monogram of Christ** (IHS – this is also the symbol of the Jesuits) at the centre of the sun. These represent the **Holy Family** of Jesus, Mary and Joseph.

The words underneath the shield are in Latin and mean "Lowly, but chosen." It comes from an episode in the Gospel where Christ picks a seemingly unworthy person (a tax collector) to follow him.

The name of the Pope

One of the very important steps which a new Pope takes is to pick a new name – in this case the Pope has chosen Francis.

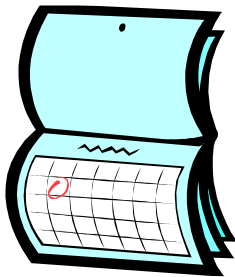

Pope Francis has chosen his name using the example of St Francis of Assisi.

St Francis was a young man born to a rich family in Assisi Italy in the 13th century. St Francis chose to leave behind the riches of his family and lead a life of poverty and service of the poor and the sick. In choosing this name our new Pope is saying that he views his role as a life of service and humility.

Deaf Mother's Club of the West

(Editor's note: This was received for the last Special Edition Newsletter but we could not fit it in then. Enjoy!)

Happy New Year to everyone! 2012 was a big year for Deaf Mother's Club of the West when it held its 20th Anniversary Dinner at

Blacktown Workers' Club on Saturday night, 17th March 2012 with a crowd of 93 people attending. The sub-committee of Margaret Johnston, Cathy McPherson, Carolyn Hanley, Kerry Priem, Dianne Thomson and Wendy Lancaster worked hard organising that special night with lots of prizes being awarded throughout the night. As a result of that successful night, an amount of \$2,279.05 was donated to The Cancer Council. You are now able to purchase a CD which contains the Anniversary Dinner photos and the powerpoint presentation of Deaf Mother's Club of the West events over the past twenty years. If interested in purchasing the CD for \$5.00, please contact Carolyn Hanley on TTY 9837 7094 or leave a message on Deaf Mother's Club of the West Facebook page.

For our annual Mother's Day outing on Saturday, 28th April 2012 we went ten pin bowling at

Blacktown AMF Bowling Centre. Eighteen ladies turned up for a fun day which started with a yummy morning tea at Max Brenner before playing three games of ten pin bowling. A great day was enjoyed by all and we had never laughed so hard!

On 9th November 2012 twelve excited ladies boarded P & O Pacific Jewel for a three night Food and Wine Cruise as part of Deaf Mother's Club of the West 20th Anniversary. Before boarding our ship, Sydney was hit by a hail storm but as we sailed out to The Heads and to sea Sydney was a beautiful sight with the sun

setting on a sunny afternoon. During our cruise everyone participated in the many activities/events offered – some attended Bootcamp, Hot Rhythms Dance Classes, Tap Dancing Classes, Cocktail Demonstration and watched the Fruit Carving Demonstration. Pacific Jewel sailed down to Gabo Island (near the Victorian/New South Wales border). Everyone enjoyed themselves and some are keen to cruise again.

On Saturday, 24th November 2012 five members (Kerry Priem, Cathy McPherson, Carolyn Hanley, Laurel Payne and Margaret Johnston) turned up to attend our annual Christmas outing. We caught the ferry out to Shark Island, explored the Island before sitting down to a picnic lunch while watching the world go around. The day was beautiful and sunny and we all had fun on the Island. We have decided to make Shark Island our venue for our next Christmas Outing.

Deaf Mother's Club of the West finished off the year with its Christmas Party held at our new meeting venue, the Holy Family After School Care Centre, Marayong on Tuesday, 27th November 2012. Everyone enjoyed the beautiful foods provided and each received a Christmas gift. Dianne Thomson was surprised to receive her 15 years membership certificate from our Chairperson, Carolyn Hanley.

Deaf Men's Day Out at Warragamba Dam

On 15th of February our Deaf Men's group went to Warragamba Dam. Although we could not go

on the top of the dam wall, we had a great day. We saw the interactive display inside the Visitor Centre and we watched a video (with no captions) and we found it very interesting. All the big machines. All the concrete. All the working people!

91 year old Cecil Copeman

I bumped into a real Deaf senior person. His name was Cecil Copeman who was 91 years old and he went to the same school (Darlington school) as Nola Colefax! He did the concreting work for the dam in 1953! It was amazing.

We had BBQ for lunch. Afterwards, we just pottered around chatting away and had a nice afternoon.

David, Deaf Men's Group

On Saturday 16th March at Parramatta, our Deaf Youth Sydney group participated as two competing teams in a very exciting treasure hunt around the Parramatta city itself. We discovered many buildings and artifacts that we didn't know existed in the first place! There were two

lovely interpreters Katrina and Adrian.

We reached at our final destination at the Riverside Theatre and we came across a big

treasure chest and a beautiful trophy. It took us a long time to crack the lock and to open up the treasure chest. We got so many lollies and medals. It was a great day overall. We all went home exhausted but happy. Donovan and I were very sore the next day!!

2013 Premier's Seniors week

Tuesday 19th March - Gala Concert at Sydney Entertainment Centre

NSW Seniors WEEK
17-24 March 2013
www.nswseniorsweek.com.au

Live Life!

About 24 of us went to the Gala Concert at the Entertainment Centre. The groovy interpreter, Nicole dressed in black, was there to interpret the songs into Auslan. We could follow most of what was going on and we all loved the beats, the vibration, the people dancing and the light

shows! It was a packed house! We had a lovely time at the Sydney Entertainment Centre. Afterwards most of us had lunch at Haymarket, nearby.

Friday 22nd March - Technology Symposium & Debate at Sydney Town Hall

Another gathering for Deaf Seniors. What a week! 25 of us went to watch the Seniors and technology symposium: From wireless to Wifi. There were two lovely interpreters Nicole and Chevoy. We watched great presentations about how

technology fits into our lives. Then there was a Comedy Debate: "That Technology is Ruining our Lives!" by some comedians. Topics covered included - did you love your automatic washing machine but you hated trying to program your VCR. Getting emails or writing and posting letters, surfing on Facebook etc. This debate was about whether the digital age is a good or bad thing!

EASTER It always seems to be too late to have any Easter news in the newsletter so this time, the timing is perfect! Enjoy!

Good Friday

We had a lovely Good Friday Service like last year. We were so lucky there was no rain!

We followed the Stations of the Cross that told the story of Jesus' crucifixion, with Mary, Donovan, Jitka and Rosemary and finally

Robert, retelling the story in Auslan. Over 50 people came and we had great times chatting away talking about the performances by all the deaf people! It was

a powerful and moving experience.

Easter Saturday Vigil

We had an Easter Vigil Mass in the Chapel of St Francis de Sales. As usual, we started with the Easter fire in the backyard of the Ephpheta Centre. After Mass, we launched our new logo and announced that our website would be ready soon. We were able to see both the old logo and the new logo and compare the differences. Afterwards we all had delicious nibbles and countless cups of coffee or tea for supper.

Easter is the time we celebrate Jesus Christ rising from the dead. Jesus rose from the dead on Easter Sunday; now He offers to you the gift of eternal life and forgiveness of sins.

We hope you all had a great Easter!

In Memory

Robert Profilio (Bob) passed away on 8th January 2003, 10 years ago. As I look back and reflect on the life we built together, I smile because I am proud of the many fond memories I have of my darling Bob.

He was a loving, caring family man and always put me and his family first. The many afternoons the children and I would look forward to him coming home from work and greeting me with a hug and kiss was the highlight of my day, I was usually cooking his favourite pasta and he would be over my shoulder making sure it was cooked properly and just before dinner he would watch the news, a must every night and then we would all sit around the dinner table and share our day. He wanted to know what we got up to while he was at work. Most weekends he was busy doing the lawns and working in the garden trying to get it done before the footy started on the TV; especially his beloved Balmain Tigers.

He loved sports and played tennis, soccer, squash, badminton, basketball, darts and swimming. Swimming was his passion and he would love to brag about his training as a young boy with Dawn Fraser. He encouraged all the children to play sport and loved to watch them play.

Bob was well known for his love of helping people and this showed at his work with St Vincent De Paul. The volunteer ladies at the Hurstville store just loved him with his crazy antics funny jokes and flowers on mother's day! He always said they were the most important, the backbone to their work.

He was a good listener and always had time for anyone. The Deaf community was his passion, he supported through many committees and the Catholic Deaf community was his family. His love of God and his dedication to do his work was to be admired. He loved to play with the children as he was a big kid at heart.

Ten years has flown by and I will always remember the support of family, friends and the staff at the Ephpheta Centre who put on a beautiful service for him. Thank you for all your kindness.

Jarrad's passing has been hard on us. I know Bob would have loved spending time playing with Jarrad, blowing bubbles. Bob loved to blow bubbles and I am sure he's doing that right now up there in heaven too.

Bob, now it's your turn to look after our beloved Jarrad until we meet in heaven. All my love always, Mary

Jarrad my beautiful little boy has been in up in heaven for just over a year and I cannot believe how fast that has flown by. There's not a day that goes by that I don't remember him, routine feeds, nappy change & all the while watching Mickey Mouse. Jarrad filled my day from the moment he opened his eyes til bedtime each night. The equipment he used to help him grow and manage his day has all been given to the Cerebral Palsy Alliance (formerly The Spastic Centre) where other children like Jarrad can benefit as these items are not cheap.

Jarrad's school, Broderick Gillawarna was thrilled at the donations made for him and these monies will be used to build a Ten Pin Bowling lane at the school for all of his school mates to enjoy. As I sort through the items in Jarrad's life I am reminded of many memories that we now keep close to our hearts.

Jarrad was a bright and happy soul who melted the hearts of all who passed by, with a twinkle in his eye, a cheeky grin and a laugh that made your heart glow.

Children are the purest of souls that touch our hearts so deeply that we are changed forever.

May our hearts always be filled with the joy that Jarrad once brought, Forever in our hearts, Rosemary
