Notes

Captain / Wicketkeeper / Subs selection - Select the player(s) in the Selected Players list, and click the appropriate Set link above.

Clearing a Team - Remove all players from the Selected Players box and click Update.

Team Officials - Select the appropriate name from the dropdown list. Only records with the relevant Team Official role/s will appear in the list.

Update

This match is from a non-current season. All persons are listed in the Player List

Help

1. Select the current season, the round required and the grade you are selecting for.
2. Ensure you are selecting for the correct team if you have multiple teams in the one grade.
3. Select each player in the left hand column then click "Add" to transfer them to the right hand column.
4. Select the Captain, Wicketkeeper etc on the right.
5. Once this is complete ensure you click "Update".
