

| hotels + motels

When designing for a hotel or motel refurbishment or new fitout, many aspects are considered. These include, the type of guest, the location, the star rating you wish to achieve, how best to present the room and the most space efficient design. All these considerations require specific knowledge that can only be achieved through experience.

Beazley's have been specialising in room refurbishment for the Accommodation Industry for over 3 decades and enjoy rising to every challenge.

We are completely versed in all aspects of the motel and hotel room in order to achieve a layout and colour scheme that your guests will enjoy, can be easily maintained and is commercially viable.
