Parents can then collect their children from the hall when the service is over.

KIDZONE

Kidzone will resume on Sunday 3 February 2019.

POT-LUCK DINNER

Join us, this evening at 6pm a pot-luck dinner and to hear from some of our India mission team. Everyone is welcome but it would be helpful if you could indicate that you are coming by using the sign up sheet in the foyer. Simply add your name and details of what food you will bring to share. This is a good opportunity to enjoy fellowship and celebrate God together.

MISSION INDIA

Our short-term mission team has safely returned from visiting Truelight Church in Vizag, India. All those who went have stories to tell about God's goodness and grace. Some of them will be sharing testimonies at this evening's Pot-luck Dinner and the whole team will make a presentation at the morning service on Sunday 27th January. The team would like to thank all those who supported them in prayer while they were away.

SNAC IS BACK

Some Nights After Church will return on Sundays 20th and 27th January. All high-schoolers and young adults are invited to come to No3 following the evening service for supper and crazy games. Parents who are picking-up should aim to do so by 9pm at the latest.
