

# CONFIDENT COMMUNICATION FOR KIDS

Effective communication is an important part of everyday life. In this workshop children will build skills and confidence in interacting with others.

Join a small group to explore and practise non-verbal communication and conversation skills.

Topics covered will include:

Posture, gesture, facial expressions, volume and tone of voice, how to start, maintain and finish conversations ... all done through games and activities delivered by a speech pathologist.

Phone 9545 0299 or email [admin@scw.org.au](mailto:admin@scw.org.au) to book now
