SUMMARY - CONCLUSIONS

Shiel/Coniglio/Smith/Whitfield Breakout question - Based on tonight's game Coniglio & Whitfield look to be the goods
 Lamb looked good, but if we can pick Rohan cheaper, do we bother with him?
 Mitchell VS Parker - Mitchell 70% DE - Parker 55% DE

Shaw 83% TOG

DE = Disposal Efficiency

Mumford + Giles + Cameron + Patton + Boyd = Too many tallies who misses out?
