Why Volunteer?

AJ2019 is going to be the event of a lifetime!

To be held at The Bend Motorsport Park from January 4 -13, 2019, the 25th Australian Scout Jamboree will be the ultimate experience for any Scout or Volunteer but we need your help!

Who can help?

Anyone can help!
You might be a Venturer, a Rover, a Leader, a parent or someone who has never had anything to do with Scouts before. You just need to be willing and able.*

How can I help?

We have a huge range of jobs we need to fill! Everything from Activity Leaders, Doctors and Nurses, Admin Staff, Shop Assistants, Plumbers, Carpenters, Cooks, Photographers and pretty much every job you can think of!

You could chose to be a Manager or someone who helps out on a team, either way you will have a great time!

What will I be doing?

The question is 'What do you like doing?' do you enjoy seeing Kids having an awesome time? Do you like to get your teeth into logistics? Do you like instructing young people in trades?

Our biggest need is for Activity Leaders, this could mean you are helping to create and set up activities or simply turning up on the day and supervising a part of an activity.

It's a choose your own adventure but no offer of help is too big or small, join us now or register your interest as a day worker, We want you on board!
