The online form contains the following sections:

## Applicant Details

The application form requires some of your basic contact details. It allows you to detail your experiences and roles in Scouting and any experiences in the country/region where the event will be held.

## Selection Criteria

Selection criteria are skills and attributes that the Contingent Leader will need to be able to demonstrate, or have displayed in the past. The applicant needs to make statements against each selection criterion stating how they have met them or are able to meet them. Note that this is a competitive selection process, and the onus is on each applicant to clear, succinctly, and persuasively present their claims.

The key selection criteria for the Contingent Leader are:

1. Demonstrated relevant event management or Contingent experience for a major event.  
Eg: Event Director, Event Organising Committee, Contingent Leader or Contingent staff member
2. Demonstrated capacity, or aptitude, for effective communication with a group of Scouts from different locations and backgrounds.  
Note that effective communication with all Contingent members from the early planning stage to completion of the tour is critical for success. Please include in your response details of your plan for effective communication.
3. Ability to liaise effectively with Scouts Australia, State and Territory Branches, International Scouting organisations and non scouting organisations.
4. Be able to build and develop relationships between Scouts Australia and the host NSO.
5. Experience in developing and maintaining a detailed budget.  
The Contingent Leader will be required to prepare a detailed budget for Scouts Australia for the event. The budget should include accommodation, merchandise, activities, transport, promotions, administration, fees and contingencies.
6. Demonstrated ability, or capacity, to create and manage a flexible itinerary or schedule for a group of people.
7. Demonstrated ability to compile a Contingent Plan for the event.  
The draft Contingent Plan you provide should consider the following items:
  - Your vision for the Contingent;
  - Estimated number of attendees;
  - Whether you would offer a pre-tour or post-tour to the event, along with your basic plans for them;
  - The number of positions you would have on your Contingent Team, and a basic duty statement for each;
  - A basic schedule for how you (and your Contingent Team) will achieve your vision and recruit, create and manage a great Contingent; and
  - What you hope you, the youth members and the Leaders of the Contingent will gain from attending this event.

## Summary Question

This question allows you to sum up and sell your application to the selection panel. What makes you the best candidate to represent Scouts Australia as the Contingent Leader for this event?

## TIPS ON ADDRESSING SELECTION CRITERIA

It is essential to respond to each criterion, writing one to two paragraphs explaining how you have demonstrated the particular skill or quality. Provide relevant examples and be clear and to the point. You should also edit your responses for grammar, spelling and punctuation.

It is important to provide evidence to back up your claims. Where possible use actual examples of what you have done, how well you did it, what you achieved, and how it relates to the requirements of the job. The STAR model can help you form your answer.

### What is the STAR model?

The STAR model is one way of presenting information against selection criteria. For each criterion think about the following and use these points to form sentences:

**Situation** - Set the context by describing the circumstance where you used the skills or qualities and gained the experience.

**Task** - What was your role?

**Actions** - What did you do and how did you do it?

**Results** - What did you achieve? What was the end result and how does it relate to the job you are applying for?

### Example response to a selection criterion

Selection Criteria:

Demonstrate effective communication skills in the context of a Scouting event.

Claims against the Selection Criteria:

*As Contingent Leader for the XYZ Branch for ABC event, I needed to ensure that our stakeholders, including Branch Commissioners and Contingent members were kept informed of all details in regards to the event. To do this, I initiated a monthly newsletter, which was emailed to each Contingent member. I took responsibility for writing the main articles in each publication. This involved obtaining ideas and input from other stakeholders to ensure that the articles reflected the needs of the Contingent team, both in terms of content and language. I received consistently excellent feedback in relation to this newsletter from the Contingent members and from Scouts interested in attending the event. I received a Bravo for the quality of this newsletter from the Chief Commissioner. Most importantly, this initiative resulted in improved lines of communication between Contingent members and the Contingent executive.*
