

Australian Contingent 16th World Scout Moot, Ireland 2021

Position Description

Health & Welfare

The 16th World Scout Moot will take place in Ireland from 19th - 28th July 2021. The entry point to the Moot will be Dublin City. International Patrols will then explore the many wonders of Ireland on a collection of exciting and interesting trails in local countryside. The Patrols will then return to Dublin for the base camp feature of the Moot before returning home or onto a fantastic post tour adventure!

The Australian Contingent is seeking a team of talented, dedicated and enthusiastic Rovers and leaders to plan and execute the Australian Contingents adventure including pre and post tours.

Position Objective

The Health and Welfare Manager is responsible for coordinating a team to deliver high quality services, responding to all aspects of health and welfare across the whole contingent.

Key Responsibilities

- Prepare, review and update medical records prior to the event, including gaining additional information from guardians where required.
- Monitor and maintain the health, safety and welfare of all contingent members
- Coordinate treatment and care of any health and welfare issues
- Escalation of first aid or mental health issues where required.
- Communicate with emergency responders or medical staff for escalated illness or injuries.
- Maintain records of treatments and consultations provided during the event, including obtaining records for 3rd party treatments.
- Ensure the Contingent is well stocked with the necessary first aid supplies.
- Communicate any Health or Welfare concerns to the C.L or D.C.L.
- Recruit and lead a team of trained and experienced First Aid and Welfare Leaders.

Key Selection Criteria

- Have participated in a World Moot or similar major event previously
- Understanding of the Rover age group and its needs
- Experience in health & welfare at similar events.
- A background in medical services, mental health or similar is highly regarded.
- Mental Health First Aid certificate – or willingness to undergo training.
- Demonstrated ability to work as a team

Time Commitment

This position requires a consistent time commitment in the lead up to the event. It would not be unusual to spend 2-4 hours per week, most weeks on the project. In the 4 months leading up to the event, this is expected to increase to over 10 hours per week. It is expected that Health & Welfare would attend the Moot as a member of the CMT. Whilst attending the event this person may spend a large amount of time off site.

Applicants should ensure they have the flexibility in their time to be able to accommodate this contribution taking into account their work or study requirements. This is a volunteer position.
