

This EASTER we are running a Training Seminar for Elijah House graduates from across the country.

We are thrilled that Thea Loughery and Sarah Compton from the States will be presenting the following sessions:

- Compelled by Love to Call Others to Repentance
- Contending for Hearts in Prayer Ministry
- Behold, your Queen
- Hearing the Heart, and Hearing the Heart of God
- Demonic Hindrances in Prayer Ministry
- Borderline Personality Disorder
- Pitfalls of Sexual Sin
- The Transforming Power of Brokenness

Other specialised topics that we may have opportunity to Q&A on, include Learned Helplessness/Passivity/Victim Spirit, Dissociative Identity Disorder (DID), and Ministering to Children. Thea and Sarah were on staff at EH USA with Sandra Kersten as prayer ministers.

In addition, there will be one or two sessions that look at the prophetic aspects of prayer ministry. Sandra Kersten and one or two others will be presenting these sessions.

There will be personal ministry and impartation prayer.

We have a strong conviction that EHEC (Elijah House Easter Convention) 2015 will be a prophetic statement to the nation expressing the Father's heart for the broken. It will carry a 'now' word for the body of Christ in New Zealand.

When: 3-4 April 2015. Friday: 1pm - 9pm. Saturday: 9am - 9pm.

Where: River of Life Centre, 774 High Street, Lower Hutt (Cnr High St/Lincoln Ave).

Registration: Simply email Karen Smart (karen@riveroflifecentre.org.nz) and tell her your name and the names of any others you are registering for. If we could have registrations by 27 March that would help with production of manuals. Door registrations will be accepted but we can't guarantee manuals.

Cost: \$40 cash or cheque (written to "EH School"), on arrival or via Internet Banking 02-0520-0200807-00 (write "EHEC" and your name in any of the particulars/code/reference fields). (If the cost is prohibitive PLEASE let us know. This seminar is about investing in you for the changing, freeing and maturing of hearts and lives in the body of Christ in Aotearoa New Zealand.)
