Lease Agreement Conditions

1. All instruments should have the student's name clearly visible on the case.
2. The security of the instrument is the student's responsibility.
3. When brought to school, instruments must be left in the music storeroom. If an instrument is left unattended elsewhere in the school it is not covered by insurance.
4. The student is responsible, and must pay for, any damage to the instrument through negligence. Any damage must be reported immediately to a member of staff in the music department.
5. As the company from which Scotch College hires instruments charges the school by term, all lease agreements to hire instruments must be by the term. Should a student commence hiring an instrument during a term the full term fee will be payable. Instrument hire fees will be billed to disbursement accounts at the end of each term.
6. If the music department or teacher terminates instrumental lessons for any reason, hire fees will not be refunded.
7. No refunds apply when a student ceases to hire an instrument during a term. However, should that instrument be hired out to another student for the remainder of the term, then a pro rata refund will apply.
8. Notice to discontinue hiring an instrument must be in writing and the instrument returned before the last day of a term otherwise the following term's fees will be charged. When returning hire instruments, they must be handed to a member of staff in the music department or the Performing Arts Secretary.
9. If a hire instrument requires repair, please ensure that the student hands the instrument to a member of staff in the music department or the Performing Arts Secretary.

I have read, understood and agree to comply with the conditions of the above Lease Agreement
