Sign Easy 1600PRO

The economical solution for cold laminating and mounting to 1600mm wide and **38mm** thickness. Incorporating a product feed/backing film delivery system, this machine represents outstanding value and simplicity that delivers an expert finish with no experience necessary.

Complete with heavy duty mobile stand and castors, the Sign Easy 1600PRO is the reliable option for affordable wide format print finishing.

The new Sigh Easy 1600PRO has improved one touch open and close rollers and a robust heavy duty roller system for mounting.

Specifications
