

Edmund Rice Camps SA Inc. is a non-profit community-based organisation that allows children aged 8-16 to have fun and develop social skills in a supportive context, away from their often negative home environments. We provide weeklong and weekend camps, and activity days. These programs target young people who may be experiencing some form of disadvantage or marginalisation.

We provide children and their families with a positive, constructive, and carefree experience. We rely on funds raised through one-off grants, sponsorship, donations and fundraising in order to run the camps and activities.

Our Quiz Night aims to raise much needed funds so that we may increase the number of programs we run each year as well as the number of families to whom we provide a service. We are approaching businesses and individuals that have a strong community-based focus and feel as though they support the equitable and compassionate values of ERCSA.

We would be very grateful for any assistance you could provide us in terms of helping raise these funds, through your attendance or donation of prizes for our Quiz Night.

Help us make a difference to the lives of children and their families.
