I would imagine that when the intercollegiate competitions were established, games like we had on Saturday against Sacred Heart would have been the organiser's wish. To win the game by a solitary point is obviously great for us but you must feel for Sacred Heart, who gave their all to just fall short. At every break the scores were close or equal in fact and when the final siren went, a Sacred Heart player had taken a mark meters from goal to crushingly find out the kick had been touched.

Game over.

It was terrific theatre and as I mentioned we were the team to be in front when that siren sounded. It was a real arm wrestle throughout and some special moments from Cameron Taheny lit up the day and the grunt of Luke Valente kept driving us forward. I didn't think we ever got going but this was due to Sacred Heart's intensity too. They probably feel the same as it was that sort of day. Wyatt Fraser gave us first look in ruck with another lion-hearted effort and James Warton's composure in defence was crucial for us on numerous occasions. Anzac Lochowiak was probably the big difference though, as kicks were hard, let alone goals, and he kicked 5 valuable ones for us. Of course, on a day like this everyone must contribute at some stage to get the result and I felt some, who may have been down on the day, found a way when it mattered. We talked about that and being able to change momentum during the game. All the players stuck to the task with those dying moments being an example of everyone finding a way.

We must get our feet back on the ground now for the ladder-leading contest against Prince Alfred. We really couldn't have had a better game to prepare for this season defining contest. The last time we played them we fought back all day and I feel we will need that type of honest effort again to get past the team that has been the measuring stick for a couple of years now. I am sure our boys will give their all again.

Rostrevor 2 - Sacred Heart 2

What a spectacle. The most amazing cheer support school group in all of South Australia, The Red and Black Army, were in an inspired state, filling the pitch with electricity, thunder and an amazing positive energy. As kick off loomed, the crowds began to roll in, surrounding the pitch in numbers and filling the pitch in a sea of red and black. The support from the school community was fantastic and certainly pumped our boys up for what was certainly going to be an enthralling fixture. As the heavens had graced us with a downpour leading up to the match, the boys entered a sloshy, muddy and slippery surface, that certainly tested our skill. Despite beginning the game lively, the visitors found themselves with a two-goal advantage at the break, leaving our boys with a tough ask ahead. Events continued to worsen with star midfielder Luke Frangakis exiting the field with an injured left arm and taking no further part in the match. Although we were down, the boys were determined to repay their fans with an electrifying second half performance. The lads entered the second term with a few fresh legs and a focused and re-energised determination to fight. A dominating build-up play down the right wing involving Alessio Melisi and Antoni Piscioneri resulted in Adam Leombruno whipping in a deadly cross which pin-pointed Lachlan Barr's head and rocketed into the back of the net. Sprinting towards the Red and Black Army, the crowd erupted and celebrated together with our boys with ecstasy. As the game intensified, the boys started to feel the effects of the groggy conditions. But up stepped Alessandro Bucco, who received the ball on the left of the 18-yard box and calmly side footed the ball into the right-side netting of the pitch. With a celebration that no one will ever forget, the Red and Black Army stormed the pitch as the entire Rostrevor community celebrated with joyous cheer. Pushing for a late winner, the phenomenal work by goalkeeper Jamie Signorello must not go unnoticed, providing a number of match winning saves to keep us in the match. Despite finishing the game at 2-2, the entire student body circled the middle of the stadium to proudly sing the Choomalaka.

I would like to personally thank all the families, parents, College staff and students for braving the wintry conditions and supporting our team. You added an extra dimension to the fixture and created an atmosphere for a spectacle that our boys will never forget. Thankyou
