#### 2016 SSSSA Team Stableford Knockout Quarter Final Event Monday May 9th - North Adelaide Golf Course

Jack Tanner and Kane Hyams were the first to tee off in the breeze, followed by Mitchell Ward, Darcy Burns, Maddie Fitzpatrick and Alyssa Sedunary a while later. Mitch had only reached the second hole when the heavens opened up and the wind started. At times, gale force winds were such that umbrellas were turned inside out! For further indication of the conditions, at one stage Alyssa's umbrella flew off towards the River Torrens. The conditions did not abate so the conveners decided to cut the round to 9 holes instead of 18.

In the end, the scores were Jack 17, Maddie 16, Alyssa 11 for a total of 44 (placing 5th) and Mitchell 12, Kane 15, and a super round by Darcy for 22 to grab second spot. As is the nature of a knockout carnival, this was an elimination round; the top 8 teams advance to the next stage. Both Sacred Heart College teams placed in the top eight and therefore will advance to the next elimination round to be held on Monday 6 June 2016. Teams will have to finish in the top four to advance to the finals.

#### 2016 SSSSA Individual Golf Championship - Grange Golf Club, East Course

Year 11 students Maddie Fitzpatrick, Taylah Cooper, Jackson Kalz and Mitchell Ward and Year 10 students Alyssa Sedunary, Darcy Burns and Jack Tanner all braved the early morning wet conditions and teed off from 7am for an extremely full day of golf. An exhausting 36 holes were played by the A grader's and 18 by the B graders, but when the sun came out, everyone's day looked much brighter. Congratulations to Darcy Burns who won the B-Grade boys category (handicap of 22 and nett score 67). Special mentions also go to Maddie Fitzpatrick for scoring an Eagle on the first hole, and to Taylah Cooper who came home with third place to achieve the bronze medal for a gross score of 173, (handicap 9.9 and nett score of 151).

Annalisi Tsoukatos

## Rugby Union

**19 May**

**Middle School U16 (65: 11 tries, 5 conversions) defeated Pembroke (12: 2 tries, 1 conversion)**

Kareem Aitken, 3 tries; Chandler Nelson-Edwards, 3 tries; Matt Phillips, 1 try; Will Stockman, 1 try; Ben Crosbie, 1 try; Jayden Scarce, 1 try; Ethan Gardiner, 1 try, 2 conversions; Kyle Scott, 2 conversions; and Christian Wright, 1 conversion.

**26 May**

**Middle School U16 (19: 3 tries, 2 conversions) were defeated by St Peter's (31: 5 tries, 3 conversions)**

Kareem Aitken, 1 try; Matt Phillips, 1 try; Will Stockman, 1 try; Ben Crosbie, 1 conversion; and Luke Grebenshikoff, 1 conversion.

**Deb King and Troy Rowland**

## MIDDLE SCHOOL

### Basketball

### Years 6/7

**10 May**

#### **Middle School Team 1 (30) drew with Team 8 (30)**

What a game to kick off the inaugural Sacred Heart Year 6/7 Basketball Competition! With the speed of Joseph Chigwidden and the Barnes brothers, team 8 got off to a quick start and led the way early on. Cian Hutchinson was a force for team 1 in the point and his rebounding and defence got his side back in the game and ahead 14-11 at the half. It was team 8 who came out firing after the break. A coast-to-coast lay-up by Zach Colicchio and a midrange jumper from Henry Mullarvey helped cap a 10-0 run and it was all of a sudden 21-14. Team 1 refused to give up the fight though, a bucket by Hamish Crafter and then six straight points from his brother Zak had them right back in the game. Josh Barnes nailed a three pointer which put team 8 in control and with 30 seconds left, they were up 5. But a huge three from team 1's Jack Bartlett got it back to 2, and when Beau Jones grabbed a rebound with 10 seconds left, they had a chance to steal the game. Beau dribbled the length of the court, missed the shot, grabbed his own rebound and put it back in for two points to tie the game at the buzzer! A fitting result for two good teams.

**10 May**

#### **Middle School Team 2 (39) defeated Team 7 (33)**

Reduced to five players, it was always going to be a tough ask for Team 7 to get the job done, but early on the five players had the upper hand and were able to take a 15-12 lead into half time, thanks to some nice baskets by Conner Earl and Max McDonald. Early in the second half Team 2's Jack Curran had a big purple patch, working well with Jake Roberts to give their team the lead. Both teams shot the ball incredibly well for the whole second half, and Jordan Roberts (Team 7) put his team back in front with a few baskets of his own. When teammate Jackson Carter chipped in four straight points, things weren't looking good for Team 2, but Luke Zacker ran hard to find himself a couple of easy baskets and put Team 2 back in front. Team 7 tried hard and kept scoring, but Michael Napoli from Team 2 had 6 late points to continually keep them at bay, and they were able to hold on for a 6 point win.

**10 May**

#### **Middle School Team 3 (35) defeated Team 6 (23)**

Team 3 came out of the blocks firing and jumped to a 10-4 lead. Johnny Bates was on song early and his offensive rebounding gave him a few easy put-backs. Broden Coats and Charlton Howard were very active defensively, and their steals helped Team 3 to some easy lay ups. For Team 6, Kian Rosario was working hard on the rebounds and Ben Mieszkuc was scoring inside and out to keep his team in the game, and they were down 18-11 at the half. Hudson Yeo was instrumental for Team 3 in the second half. Some great passing and drives to the hoop put his team well on top, with help from Broden Coats and Alex Nielson, who kept the scoreboard ticking over. Team 6's Charlie Kitto hustled hard all game and made some great plays, while Max Lambert showcased his amazing ball handling skills; but it wasn't enough as Team 3 flexed their muscle for a 12 point win.

**10 May**

#### **Middle School Team 4 (46) defeated Team 5 (17)**

The final game of the night was a tale of two halves. The first half was all Team 4. While Team 5 had unlucky shot after unlucky shot, team 4 couldn't seem to miss. Josh Harper had the first 6 points of the game while Zach Shinnick was menacing on defence, creating all sorts of problems for team 5. Seb Wagner made some smart decisions on offence and Ethan Klemasz looked good any time he attacked the hoop or made a nice pass. After giving up a big half-time lead, Team 5 came out all guns blazing in the second half, started to gel and the players were visibly getting better as the game wore

on. Liam Hamilton made some great plays, including a sweet pass over the top of the defence to Kaleb Kowalczyk, who put it in for two. Owen Gladdy grabbed a stack of rebounds and started to look very comfortable by the end of the game, showing some great potential. While team 4 ran out 29 point winners, Team 5 showed they can match it with the best, managing a 15-18 second half.

**17 May**

**Middle School Team 1 (38) defeated Team 3 (26)**

After scoring the game-tying basket last week, Beau Jones came out firing in Week 2. Working hard with Fletch Wellington on defence, they nabbed a few steals from the opposition and helped their team push out to an early lead. Cian Hutchinson and Zac Crafter also chipped in on the scoreboard to help Team 1 take a 20-12 advantage into half time. Broden Coats enjoyed a hot start to the second half and helped bring Team 3 back into the game, with Oliver Nalepa and Alex Nielson working hard on defense. When Hudson Yeo finished a great drive to the basket, it was back to a 2 point ball game, but Team 1 stayed strong and went on a 12-0 run to clinch the game; Jack Bartlett scoring late for a 38-26 score line.

**17 May**

**Middle School Team 6 (45) defeated Team 7(20)**

The last game of the night saw Team 6 take on Team 7 – two teams coming off close losses in Week 1. Both teams were hungry for a win and came out playing hard. After a reasonably quiet week 1, Charlie Hildyard came out a different player in Week 2; early on he was attacking hard and scoring, which was followed by a few steals and assists, pushing his team out to an early lead. Charlie Kitto was also hustling hard on defence (a little too hard, leading to some foul trouble), and they set a good example for their team. Tomi Todoric was moving really well on offence and found some nice space to hit a couple of baskets. Team 7 trailed 21-14 at the break after six first-half points from Zac Semmler and a nice Conner Earl basket to end the half. Lucas Joyce (Team 6) hit a three-point bomb to make it 26-14, before fill-in Jake Roberts (Team 7) scored twice for 18-26. However, that was as close as it got; Team 6 going on a 19-2 burst to run out convincing winners. Max Lambert was as cool as a cucumber with 4/4 free throws, a nice pair of jumpers and even a big rebound!

**17 May**

**Middle School Team 8 (74) defeated Team 5 (23)**

Not to be outdone by Team 9's powerful performance, Team 8 came out blazing against Team 5. A Matt Barnes three pointer kicked off proceedings, and from there Team 8 was always in control; they only had six players, but they all got in on the act and scored 5+ points each in the first half. Toby Burghardt was too big inside, while Kobe Vanzetta and Zach Colicchio worked well with the Barnes brothers to force Team 5 turnovers. Thomas Ford went on a six point burst towards the end of the half to take a huge lead into the break. Team 5 was able to compete a lot better in the second half with Liam Hamilton showing a tremendous ability to score some pretty tough baskets. Kaleb Kowalczyk did well to look after the ball against some tough defenders, and Jack Winstanley hit some long bombs late in the game to bring some smiles to the faces of Team 5.

**17 May**

**Middle School Team 9 (45) defeated Team 4 (24)**

If Team 9 were not happy about having the week 1 bye, then they sure showed it in the first half against Team 4. They played tenacious defence and quickly reaped the rewards, jumping out to a big first half lead. Taj Spencer and Lachie Goldsboro were the chief destroyers, racking up steals, assists and points in a hurry. Mitchell Wilkinson found himself in the right spot for a few baskets as well. Team 4 finally came to play in the second half; Zach Shinnick playing hard on both ends to try and reduce the deficit, while Ethan Klemasz also kept working until the final buzzer. Team 9, however, proved to have far too big a lead, and signalled their arrival as one of the leading teams.

## Basketball Year 8/9

**14 May**

**Middle School A-Grade (55) defeated St Peter's (31)**

With a few of our starters out due to state champs, we needed everyone to step up and take charge, and that's exactly what they did. All seven players came to the game ready to play and ready to work hard. Led by Kane Harwood's intensity, energy and passion, our defence was manic; St Peter's struggling to get the ball over the halfway line, let alone get it in the hoop. Liam Chapman took the responsibility of defending the opposition's six-foot-eight man-mountain, and got the better of him all day; Chappy even scored 19 points on the poor bloke. Harvey Smart was classy all day on offence and defence, while Tom Osborne showed flashes of brilliance. Jayden Revink battled foul trouble early on, but finally got off the leash to score some crucial second-half baskets. Brad Neos also had a crack at guarding the Saints' big man, and performed well, while Ethan Tooth-Richards capped off our great win with a nice three-pointer in the last few minutes. An excellent round 1 win, but it doesn't mean much if we don't raise the bar even higher and continue our strong work ethic every week.

**14 May**

**Middle School B-Grade (27) were defeated by St Peter's (42)**

Another great effort against some tough opposition! We put up a good fight, but a few turnovers at costly times probably exaggerated the final score line. Scoring 27 points was a pleasing effort in our first game together, and the boys followed instruction really well. Ben Stewart battled hard all day and was rewarded with a stack of rebounds and a few points as well. Ben Harper was also a ball of energy, not allowing the Saints' guards to have anything easy at all; his work ethic on defence was a great example of the attitude our team and squad have had all season. Peter Ralph and Jamie Cooper showed that they will be a force from the three-point line this year, nailing shots at different times throughout the match. The team won't have to wait long to get a win once we are at full strength.

**14 May**

**Middle School C-Grade (21) were defeated by St Peter's (37)**

The C-Grade side put up a spirited fight against St Peter's but found them just a shade better in both halves. Everyone in the team is reasonably new to basketball and the potential that some of the boys showed was very exciting. Keanu Tria worked hard all day and was rewarded with a few baskets on offence and a massive block on defence! Early on it was Isaac Dinning who hit him with a sweet pass for an easy lay-up, which shows what can happen when we run and when the player with

the ball has his eyes up. Matthew Lopez scored on three great drives to the basket during the second half, while Aussie Brigmanis also hit a couple of nice jumpers. Ethan Wilkinson was a valuable rebounder throughout the game. A solid first-up effort from the Hearts - we will better for the experience.

#### **14 May**

##### **Middle School D-Grade (6) were defeated by St Peter's (33)**

It was a very inexperienced Sacred Heart side which took to the court against St Peter's to tip off the season. A much stronger and experienced St Peter's side came out firing and put us under a lot of pressure, but as the game wore on, the boys were starting to learn and get better. Daniel Moore was energetic and hustling all game long, and he was able to force the opposition into mistakes on several occasions. Along with Patrick Clarke, they formed a solid defensive unit. Tyson Rowe was the most effective player on the offensive end, scoring three points and going close to scoring a whole bunch more. The effort from all boys was excellent; and with more practise, the only way is up!

#### **21 May**

##### **Middle School A-Grade (38) were defeated by Prince Alfred College (43)**

A pretty disappointing result for the A-Grade after such a complete performance last week. We had three players returning from state championship duties, and it showed that perhaps the team didn't gel as well as we did last week. There were patches of play where we showed what we're capable of, but in general, we turned the ball over too often and didn't work hard enough on defence. Riley Luke had an excellent first half and was causing headaches for the PAC defence, while Aiden Gorringer showed plenty of hustle on defence. The fact we only lost by five against a solid team says that when we hit our straps, we will be hard for any team to beat. More effort and more time together will help us realise our full potential over the next few months.

#### **21 May**

##### **Middle School B-Grade (36) defeated Prince Alfred College (32)**

Another great battle and another gutsy victory for Sacred Heart against PAC. Peter Ralph got the boys off to a good start by swishing a three, but early on it was the PAC guards who looked to have all the tricks. However, some solid defence by Jamie Cooper and Ben Harper helped to slow down their playmakers and we found ourselves in a tight contest, down 16-17 at half-time. A slow third quarter helped PAC to a 28-22 lead early in the fourth quarter and the signs were ominous. However, Ben Stewart did what he does best and hustled his way to four straight points before Ethan Tooth-Richards swished his third three of the game to give us a 29-28 lead. Brad Neos came up with a late bucket to give us a four-point lead inside the final minute, but there was no time to celebrate once PAC scored again for 32-34. The boys kept their composure and Ralph scored in the dying seconds to seal the four-point victory for the Hearts!

#### **21 May**

##### **Middle School C-Grade (18) defeated Prince Alfred College (12)**

After copping a loss at the hands of St Peter's in week 1, the C-Grade responded in the best way possible with a gritty win against PAC. It was a low-scoring and tight defensive game, but we came up with some big baskets in the second half to keep the opposition at bay. Keanu Tria came off the bench and had an immediate impact early - a long bomb straight after coming on and then a steal and layup saw us take control in the first half. Our work during the week on defence and ball-handling paid dividends; Matty Lopez, Sherv Sreeshankar and Benny Agullana all showcasing their skills and helping to create offence for the team. Two great drives to the basket for Sreeshankar gave us a nice 13-8 buffer, and when Tria converted a great three-point play, we were up 18-10 and the game was all but over. If we continue this rate of improvement, we will be a force come the season's end.

#### **21 May**

##### **Middle School D-Grade (28) defeated Prince Alfred College (26)**

One week is a long time in basketball. After a tough game against St Peter's last week, the boys rallied together (with a couple of new additions) to win a nail-biting 28-26 contest at Prince Alfred College. Laurence Becker and Sam Thompson provided the boost we needed on offence, combining for 20 of our 28 points, while Tom Schar also chimed in with a couple of nice long shots. Tyson Rowe showed some good aggression again and was able to grab some big rebounds for the team, while Daniel Moore provided the hustle and the energy that any good team needs. We are quickly learning that moving the ball around makes it easier for everyone to score, and if that continues, so too will the victories.

#### **Brett Clarke**

## Cross Country

The cross country season started with a bang with 3 races in quick succession. The first Wednesday afternoon race was attended by 8 athletes and they all enjoyed the atmosphere and race. I recorded these times for our runners but am still waiting on the official results to distinguish their overall placings in the primary and junior categories. Both the primary and junior athletes ran 1.9km.

On Friday May 20 three Year 6 boys competed in the City South selection race to hopefully race at the State Championships and possibly then become part of the SAPSASA team for the nationals. Cael Mulholland won his race and Lochie MacNab came 6th, narrowly missing out on a spot on the team. Both boys ran very well and we are proud of their results.

Cael Mulholland	6.52.55	Primary
Nicholas Brookes	7.37.85	Junior
Lochie MacNab	7.50.37	Primary
Gabe Mangelsdorf	7.58.62	Junior
Cooper Giles	8.14.36	Primary
Max Underwood	8.29.50	Junior
Matthew Higgins	8.31.22	Junior
Darcy Davenport	9.10.48	Primary

The second Wednesday afternoon race was also well supported even though it was a very cold afternoon. All of the boys ran well and there were a few surprises with runners coming from behind just to pip their fellow SHC runners. It will be interesting to see how they fare in the future and how this may help them push each other.

**Meredith Ryan**

### Years 6/7

#### 14 May

##### **Middle School 6/7A (24.13: 157) defeated St Pauls (1.0: 6)**

In the first game of the year the expectation was high and the team very excited. In perfect football conditions we got off to a flyer with great teamwork and run from the midfield through Owens, B Giles, Shinnick, Ryan with Van Kempen kicking 3 goals. The 2<sup>nd</sup> quarter saw St Pauls fight back forcing SHC to play good football to keep in front, Dewhirst and Laverty proved to be the best talls taking strong marks and controlling the rucks. In the 3<sup>rd</sup> quarter against a stronger wind SHC continued to run the ball well, linking up with good handball and run, with Vizzari, Owens and Lovelock amongst the goal scorers. The 4<sup>th</sup> quarter saw SHC play some of their best football having worn down St Paul's resolve, the quarter played entirely in the SHC forward line, SHC kicking 8 goals with Tim Stewart kicking 4 goals, 3 from long range and Laverty kicking a birthday goal and unselfishly handing off another one to Shinnick. A genuine all played well game.

Goals: Stewart 4, Van Kempen 3, Lovelock 2, M Barnes 2, Kelton 2, Owens 2, C Giles 1, Vizzari 1, Barrett 1, J Barnes 1, Ryan 1, Paprota 1, Scannell 1, Dewhirst 1, Shinnick 1, Laverty 1,

#### 21 May

##### **Middle School 6/7 Shinnick (17.12: 114) defeated Immanuel (2.0: 12)**

Immanuel came out firing in the first providing hard-fought tough football, in what was a very even contest with SHC being slightly ahead. Argent provided a strong presence up forward taking strong marks with Lovelock in the middle getting the ball forward. The 2<sup>nd</sup> quarter (with the wind) saw SHC take control with Van Kempen, Ryan dominating around the ground and providing plenty of drive into the forward line. Kelton kicking a couple. 3<sup>rd</sup> Quarter (against a stiff breeze) and a strong defensive effort was required with Vizzari being clean off the half back line mopping up everything while Shinnick and Ryan were getting the ball out of the centre. SHC dominated the 4<sup>th</sup> quarter kicking 7.4 to no score; in what was still a hard fought contest SHC wanted the ball more with Shinnick, both Barnes' and Stewart being dominant; Van Kempen kicking one from the boundary that should be on the highlight reel.

Best Players: Van Kempen, Shinnick, Stewart, Vizzari, Lovelock, M Barnes, J Barnes

Goals: Stewart 4, Van Kempen 2, J Barnes 2, Bull 2, M Barnes 2, Kelton 2, McAuliffe 1, Paprota 1

##### **Middle School 6/7 Jackson (2.4:16) were defeated by St Peter's College (7.5: 47)**

After an easy win in round 1 the boys were caught napping in the first quarter, conceding an early lead. The second and third quarters were dominated by SHC but unfortunately they could not cash in on the scoreboard. Lachlan Fowell battled hard and was inches away from bringing down the mark of the century; we're still waiting for him to come down from the clouds. St Peter's talls sat in the hole and soaked up the pressure well. Despite SHC dominating the clearance work and showing bucket loads of heart they were unable to get over the line. The boys relished in the challenge and will be better for the contest. St Michael's are unfortunate to be facing Jackson's legends on the rebound.

Better Players: Fowell, Kitto, Lambert, Brain, Forster

### **Middle School 6/7 Schultz (0.0: 0) were defeated by Blackfriars (16.14: 110)**

As the scoreboard suggests it was a very tough day out for our boys. We were up against a much taller, bigger and overall better skilled side, filled with predominately Year 7 boys. This is Blackfriars only team, so they had all their gun players in and also had a bench of 5 players waiting to get on whereas we only had the bare minimum 18 players available on the day with no bench. To the boys credit they hung tough and never gave in despite the score line and had a real crack. With only one training session behind us so far and one win and a loss we will be looking forward to training and the next game can't come quick enough.

Better Players: Jake Pavia-Amato, Adam Bunworth, Joseph Chigwidden

### **Football (Aussie Rules) Year 8**

**14 May**

#### **Middle School 8B (7.9: 51) were defeated by St Ignatius (11.20: 86)**

The enthusiastic squad found themselves playing at St Ignatius on a dewy morning. Old Scholar Nathan Fussell gave the team his final instructions with a focus on team play and a disciplined approach. After a nervous start the boys adjusted to the conditions and playing in a new team. Many of the boys experienced playing in different positions and throughout the second and third quarters managed to outscore SIC and produce some excellent running team football. All players contributed throughout the match. William DeRitter competed courageously in the Ruck and across half back. Harry Uren led by example with a solid, straight-line approach at Full-back and on-the-ball. Joel Saunders covered plenty of territory to create good position on many occasions. Other players who stood out in an even team effort were: Bailey England, Elijah Laube, Gabe Manglesdorf Noah Pearce (all in their first game for SHC) and Finn Tierney.

**21 May**

#### **Middle School 8B Fussel (1.1:7) were defeated by Westminster (10.10:70)**

The boys were in for a challenge early with it quite noticeable that the 8A team from Westminster largely outsized our boys. Although the first quarter was a bit quiet, the boys really rallied in the second and third to produce an outstanding final quarter in which they won on the scoreboard. Honorable mention to the ruckman for the day in Smith and Wurfel who despite being undersized, bruised and battered, won a considerable amount of the ball and assisted in setting up the game for the rest of the midfield. Many positives to draw out of the game especially the last quarter with the ball movement and possession footy which had been a target at training, allowing our boys to outrun and penetrate the forward line.

Best Players: Wurfel, Abbott, Uren, Garcia, Saunders.

**Pat Kitschke**

## Rugby League

### Tier A Rugby League State finals

On Monday 16 May, twenty-two Year 8 and 9 boys represented the College at the Tier A Rugby League State finals at Dry Creek Reserve. Despite most of the boys having absolutely no background in League, they had won all 4 lead-up games and were thus very confident that they had the skills required to be contenders. On our arrival we were informed that as one of the semi-finalists had withdrawn, as the top-ranked team we would be put straight through to the Grand Final. Windsor Gardens, who have been in the competition for 20 years won through to the semi-final. Before the game we had spoken about the need to start fast and that's exactly what happened. Within 10 minutes the game was 20-0 our way and the game was effectively over, as Windsor Gardens knew that there was no way back. The boys played the game with fantastic spirit and the final score was 36-10.

We'd like to thank Dave Tyrell, whose knowledge and enthusiasm as coach was most appreciated. Thanks also to Grant Barnett and PJ Scott who stepped up to coach on Grand Final day.

**Troy Rowland and Deb King**

### Years 6/7

**14 May**

**Middle School 6/7 B2 (4) defeated Blackfriars (1)**

The boys had a great game on Saturday winning 4-1 against Blackfriars on their deck.

Kai, Makenzie, Alec and Buddhima scored goals. They played really well together, holding structures, running well for each other and good passing.

**Tim Pepper**

### Year 8/9

**14 May**

**Middle School 8B2 (5) defeated Christian Brother's (2)**

On Saturday 14 May SHC Middle School B2 Soccer Team played against CBC and won 5-2. Connor Norbury scored 4 goals and Jesse Pepper 1. Connor got a fantastic first goal from a corner, it was top right unstoppable. We started the game with no subs and then Jacob De Lang broke his wrist in the first half so we went down to ten men for the rest of the game. In the second half CBC were very kind to put only ten of their players on the pitch. We all got very tired towards the end of the game but still ran the game out. Everyone played well together and all got along. Also everyone had good soccer skills.

**Declan Hargreaves**

**14 May**

**Middle School 9B Soccer (5) defeated Blackfriars (0)**

Goals: Jack Gallagher (1), Darcy Chilman (1), Alistair Barry (2), Matty Tidswell (1)

MVP: Matty Tidswell

Best Players: Everyone played really well

In a great opening game, the 9B team played really well to defeat Blackfriars 5-0. Everyone played well, with Matty Tidswell, Sam Caddle and Alistair Barry the standouts. Special mention to Ben Hebdon, Jack Turner, Jack Gallagher, Darcy Chilman, James Wenceslaus as well as Jack Spyker in goal. Really impressive efforts from the new soccer players in the team and the subs Tom Wyman and Brendan Breen, who provided impact during the game. Thanks also to the Referee.

**Chris Gohra**

**21 May**

**Middle School 8B1 (4) defeated St. Peter's (1)**

Hearts dominated the game and scored early goals to take control of the match; a great effort by all. The final result was a 4-1 victory for Sacred Heart.

**Sanjay Reddy**

**Middle School 8B2 (9) defeated Cabra (0)**

Everyone had a good game especially Ethan Rothe who got a clean sheet in the first half but in the second half he came onto the field and got a hat-trick. Also, Connor Norbury got 6 assists and 1 goal. Luke Farmer got the best goal of the day from outside of the box. Goal scorers were Ethan Rothe with 3 and 1 each for Connor Norbury, Luke Farmer, Tyler Mathews, Robert Rabbah, Lucas Owers and Jesse Pepper.

**Declan Hargreaves**

### Year 8/9

**13 May**

#### **Middle School 9 v Middle School 10 (Year 8) (9 games to 3)**

James Nash played a very powerful and skilful game against his younger opponent. I was very impressed with Dylan Draper's ability to move around the court and at no time give up chasing a drop shot or returning a serve - a very entertaining game to watch. Brad Bell used his tennis background to transfer these skills to the squash court; he has the ability to read the play and move quickly to the ball. Thomas Dowd played extremely well for his first game; never was he intimidated by his older opponent, winning many points with his forehand. Matt Bell and Austin Brigmanis played a very high standard this week. Austin's serve and cross-court shots were very good winning many points. Matt used his power and strength to hit the ball all over the court. Joel Saunders was good enough to fill in to help the Year 9 team playing Adam Leydon in a very close game. Both first time players in Year 8 were very well matched with their skill levels.

#### **Middle School 5 v Cabra (12 games to 0)**

Harry Gepp was far too strong and powerful for his opponent; his rocket serve and powerful forehand meant his opponent had little chance of seeing the ball, let alone making contact. Darcy Ruth continued with his incredible form from last year. His service, court movement and power/strength was far too intimidating for his opponent; a class of his own. Harry Morrissy and Tom Wyman played each other this week. These two players always had incredible games that entertained the crowd.

#### **Middle School 7 v St John's Team 1 (3 games to 9)**

This team was led by Daniel Lean who played first only to be confronted by two Year 12 students and one Year 11 student from St John's. Daniel Lean, Jack Downey and Tom Burdon never gave up trying in all games played and I was extremely proud of their attitude and determination. Eyasu Whetstone played his first game for the College and was far too strong for his opponent.

#### **Middle School 6 v St Johns Team 2 (12 games to 0)**

Team 6 played St John's Year 9 squash team. Will Day, Josh Aulert, Kyle Scott and Zac Fahey were a class above their opponents. All players served extremely well and placed the ball exactly where they wanted it.

#### **Middle School 8 v Temple (7 games to 5)**

Tom Ware played their number one player (who is coached three times a week) and in very close and deciding games, there was only a few points difference. The final score was 44-46 Temple's way; a great effort from Tom. Max Fitzgerald was far too powerful for his opponent. His placement of the ball was a highlight of his game; another great effort for his first time representing the College. Henry McDonald's form continued from last year. A stellar performance from Henry with powerful serves and a forehand drive that won many points for his team. I was very impressed with Jagger Goode's first appearance for the College - every point, every game was fought with determination and skill; just going down in the last game.

A wonderful display of sportsmanship from all players.

**Graeme Stewart**

## Table Tennis

Table Tennis has started! Our first games were at home with our hall full of players from Year 6 to Year 9; it was great to be all together for our first competition.

Our younger players competed against Prince Alfred College winning 7 games, while Prince Alfred won 4. Our older boys played against Mercedes College winning 3 out of the 6 reverse singles matches and 4 out of 8 straight singles matches. Unfortunately, Mercedes College defeated us in all doubles matches.

For our second week of competition we played away. The junior boys played at Saint Ignatius College while the Middle School boys played at St Peter's College. Being an exeat weekend for the Boarders we lost three of our players. Special thanks to Jared Threadgold and Ethan Blanch who played up (from Year 7) for us and Thomas Smith who filled in at the last minute.

At St Peters, Ethan won his two straight singles matches, one against a very tall Year 8 boy; great effort Ethan! While Declan Bonham won his reverse singles match, the rest of the boys enjoyed their games and were great sports. At St Ignatius, the boys battled it out with some very tough opponents. Jake Underwood played extremely well and took out the win for all 3 of his games. Sacred Heart played well and should be proud of their efforts.

### Emma Basey and Tamara Smith

## SENIOR SCHOOL

### Athletics

On April 2, the Sacred Heart Girls Athletics Team headed to SA Athletics Stadium to compete in the A-Grade Catholic Girls Athletics Carnival. There were numerous successes throughout the day as the girls put their athletic skills on the track for all to see.

Georgia Corcoran, Grainne Henry, Sarah Chigwidden, Sian Bradley, Alice Priestly, Chloe Baldwin, Emma Drew and Sarah Mills hit the 100m and 200m track with impressive pace. Alice Priestly took home first place in the 200m and a 2<sup>nd</sup> in the 100m, while Georgia took 1<sup>st</sup> place in the 100m and Emma Drew 2<sup>nd</sup> in her 200m. The 400m saw Alice Priestly, Isabelle Odea and Sarah Mills all dominate their divisions taking out 1<sup>st</sup> place.

The field events were well represented with Sarah Mills, Bridget Burghardt, Portia Whitridge and Georgia Corcoran hitting the sand in the Long and Triple Jump. Sarah was impressive winning the U16 division triple jump with a jump of 9.16m. Across at the High Jump, Georgia Corcoran finished in 1<sup>st</sup> place in the Open division with a jump of 1.4m while Emma DeBroughe took out the U16 division with a 1.41m jump.

In the Shot Put, Luana Kidney took out the Open division with 9.32m while Jac Dignam took home 2<sup>nd</sup> place in the U16 division. Bec Allchurch continued her success from 2015 and again took home first place in the Open Javelin with an impressive throw of 31m as well as the Open Shot Put with 8.46m. In the Discus, Luana Kidney was again impressive taking 1<sup>st</sup> place with a throw of 22.91m.

The distance track saw Renee Hanley step up in the 3000m, and Sophie Agostino in the Open 800m. A huge run in the Open 1500m from Emma DeBroughe saw her take home 1<sup>st</sup> place in 5:49:76.

To finish the day, our girls combined their sprinting talents to partake in the relays taking home a 1<sup>st</sup> in the Open event and 2<sup>nd</sup> place in the U16. Well done ladies.

The girl's talents and efforts saw SHC earn overall 4<sup>th</sup> place for the day. Well done to all the girls in the team on this fabulous result. A big thank you to Judy O'Dea and Luke Hildyard for assisting with the team and to the SHC students who attended to officiate for the day.

**Alex Penhall**

# Netball

## Open A2 (SHC2)

A2 Blues have had a promising start to the season with 3 hard fought games! Captained by Madi Brock, the girls worked together and won their first trial game as a new team against Immanuel. They showed great skill and a good team bond. During the first official game of the minor rounds against Nazareth, we were off to a slow start going down in the first quarter. However, defensive pressure from the whole team lifted immensely for the remainder of the game, turning the score around for a 27-12 win! A highlight was Zarli and Georgia's amazing work, together in defence to keep Nazareth to a scoreless third quarter. In a tough battle against the other Sacred Heart A2 team last week, we went down by 5 in a disappointing loss. I'm very proud of the commitment these girls have shown and how well they have played so far. I have no doubt we will only improve as the season goes on and be strong first place contenders!

## Matilda Langston

## Open A2 (SHC3)

SHC 3 A2 team have had a fantastic start to the netball season, backing up their intense Intercol win against Immanuel with two more wins in the first two rounds of games. All of the girls have already gelled together so well and will definitely be a team to beat this season. The perfect combination of team morale and competitiveness is definitely an advantage these girls have. This was clearly evident in the SHC showdown last Wednesday where they executed a hard fought win against our fellow SHC A2 team.

## Brittany Miller

## Open B1

The Open B1s have been put through their paces with the initial Intercol game at Immanuel resulting in a loss; they're certainly enjoying the extra fitness sessions since this game. Maddie Charles has shown exceptional leadership skills in Captain with Kate Stewart's energy on court and Kieanna Brummelhuis' organisational skills as Vice Captains helping her out. The standard of the season fixture has allowed the girls to put their practice into play, winning both round games with close but convincing margins.

## Kellie Gardner

**Year 10A**

The Sacred Heart 10A side have unfortunately had a rough beginning to the season. Starting off with the first Intercol match against Immanuel; the girls had a great start, leading by 5 goals at halftime, even continuing the lead until the final quarter when unfortunately Immanuel came away with the win. Our spirits were not shattered as we came into our first round against Gleeson pumped and ready to win, which is what we did; winning by 12 goals. Last week the girls played Marryatville and once again we took the lead early on in the game until a particularly tall opponent broke down our rhythm. Only losing by 5 goals, the girls are keen to come back this week with a win against Cabra. The 10As are a very excited and talented team, who have great potential to do very well this season.

**Madi Nicholson****Year 10B1**

10B1 started off the season in wonderful fashion, with a win at Intercol over Immanuel (60/9). Everybody has been showing true passion and talent on the court. Two Saturday's into the Catholic Girl's School Netball season, the girls are already showing some breath-taking skills and abilities. With two convincing wins already under our belt, we are focusing on the weeks to come, with high goals and expectations.

**Taylor Klomp**

## Girls Football

**Game 1 - SHC V Our Lady Of Sacred Heart (OLSH)**  
**SHC: First quarter (SHC 4.3 to 0.0); 2<sup>nd</sup> Quarter (SHC 6.6 to 0.0), third quarter (10.9 to 0.0) and Final Quarter (11.13: 79 to 0.0: 0).**

Our knockout campaign started with a big win against OLSH. In a competitive start, with the weather treating us favourably, we hit the scoreboard positively and never really looked back. In the second half, we threw around the team around to give all a go and all girls impressed with their attitude and application. We learnt some valuable football lessons - about kicking it forward quickly, running\moving and tackling. Mackrill, Tanner, Bryant, De Broughe, Fraser and Steer were at their menacing best, showcasing their skills and game sense in difficult conditions.

Goal Kickers: Tanner, 3; Mackrill, Fraser, 2; Davis, Kellock, Smith, and Forrest 1 each

Best Players: Mackrill, Tanner, Bryant, De Broughe, Fraser, Steer, Forrest

**Game 2 - SHC V St. Aloysius**

**SHC: First quarter (SHC 1.3 to 0.0); 2<sup>nd</sup> Quarter (SHC 2.5 to 0.0), third quarter (3.7 to 0.0) and Final Quarter (3.10: 28 to 0.1: 1).**

The big match against St. Aloysius was going to be a tough encounter, particularly after they beat OLSH by a similar margin. The winner of this match would move through to the next round. In a really tough and bruising game, as rain tumbled down for most of the match, the girls did the College proud in how they dealt with the heavy and cold conditions, and applied themselves to the ball and opposition. The girls played outstanding team football and braved the cold with aplomb. They tackled strongly, kept their feet and trapped the ball inside the forward line. It was a superb effort, winning by 28 points. Mackrill was at her dominant best, and was well supported by Tanner, De Broughe, Fraser, Paull, Bryant and Steer, who gave the team plenty of ball movement forward. However all girls who played, should be proud of their efforts, it was a seriously tough day for football.

Goal Kickers: Tanner, 2; Mackrill, 1.

Best Players: Mackrill, Tanner, De Broughe, Steer, Bryant, Fraser, Brock

**Garreth Hutton**

## Boys Football

### Year 11/12, Week 4, Term 2

The season has kicked off on a positive note for our Senior Football sides. Numbers out at trainings are strong and the players seem to be enjoying the opportunity to represent their College in their respective sides.

Our 1st XVIII have played three matches for two wins and a loss. The first game of the season was a tough contest against PAC who were too strong at their home ground. Many of our new players coming up from the 10As, certainly got a baptism of fire and a clear understanding of the intensity of 1st XVIII football. The next two games were excellent, with nice wins against St Michael's and Immanuel.

Our 2nd XVIII have had a really positive start to the season, notching up three wins from three games, two of which were against 1st XVIII opposition. Probably the best of the victories came against Westminster last weekend, where the undermanned side fought hard all day and after trailing for most of the game, managed to kick a goal to hit the front with less than a minute on the clock. A great win for the side.

Our 3rd XVIII have come up against some tough opposition in their first two games, taking on 2nd XVIII sides from St Michael's and Immanuel. Coach, Nicholas Taylor is doing a fantastic job with his playing group which changes significantly from week to week. With the endeavour of the boys being so positive, a win is hopefully just around the corner.

Our 4th XVIII have also played two games so far for a win against CBC 2nd XVIII and a close loss to Rostrevor 3rd XVIII. The discipline and application of the side has been excellent and we look forward to taking on two 2nd XVIII sides over the next few weeks.

This year we have entered a 5th XVIII into the competition to encourage some of our 'semi-committed' footballers to chuck on the boots every week and represent the College. The side is coached by old scholars Bryden Crosbie and Braden McInerney and under the tutelage of football guru Will Kearvell have been able to get the best out of their very

committed side. Only one game so far, with a loss to Rostrevor 3rd XVIII, but the team will be looking to bounce back against Blackfriars 2nd XVIII at Prospect Oval.

We wish all of our sides the best of luck for this term's fixtures and look forward to what the remainder of the season has to offer.

### **Year 10, Week 4, Term 2**

Again in 2016, we have entered 2 x 10A teams into the competition as well as a 10B side. We believe this will have significant positives for the development of our playing group and hold them in good stead as they put their hand up for 1st XVIII selection as Year 11s next year.

Our teams are all coached by old scholars who are extremely passionate about their role and dedicated to the development of each individual player.

Our 10B side has so far just played the one game, with a strong victory against Rostrevor, which is always a nice win for the players and coaches.

Our 10A sides have so far only played the two games, the latter being against each other. Both sides suffered defeats in their first game, but the SHC vs SHC game last Saturday gave the players an opportunity to work on their skills and fine-tune their game together. This fixture has developed into quite the rivalry over the last few seasons and was again, a great experience for our players this time around. The players are always keen to impress their coaches and have the final say against their opposition players and mates. From a coaching point of view, this is a great opportunity, not only for talent identification, but also to build rapport with their team and work on their key structures and general game plan.

It was a great contest, played in excellent spirits and the players certainly did their best to get their respective side over the line.

In the end, SHC Blue managed to secure victory by a few goals. Well done to all players and coaches.

Our attention now turns to the next few weeks as our sides look to notch up victories before we have a break for the long weekend.

The 10A1s take on St Peter's and Rostrevor before the break, while our 10A2's line up against Rostrevor and then St Michaels.

Our 10Bs venture out to St Paul's College this weekend, before taking on St Peters, also away.

Best of luck to our Yr10s for the remainder of the season.

Go Hearts!!!!

**Robert Gill**  
Football Coordinator

## Soccer

**11 May**

### First XI Twilight Soccer League

Goal scorers: Jack Mitchell (#7), 1 goal; Jack Yull (#20), 1 goal; and Ryan Yates (#15), 2 goals.

In what was a physical and highly entertaining match, Sacred Heart College got their season underway in an impressive 4-2 victory over Christian Brother's College (CBC). Jack Mitchell got the opening goal early in the first half with a well-placed finish after some fantastic teamwork and pressure. Jack Yull doubled their advantage soon after with an outstanding finish from outside the 18 yard box that sailed directly into the top right corner. The Hearts had multiple chances to kill off the game early, but some fantastic saves from the CBC goalkeeper certainly gave his team a lift. CBC were able to grab a goal themselves from the Penalty spot before Sacred Heart Captain Ryan Yates was rewarded for his hard work on the pitch and grabbed a well-deserved double. Throughout the game the Hearts defensive duo of Chris Ashwood and Noah Smith was extremely strong. Along with impressive goalkeeper Joe Gauci, they supplied their midfield and forwards with deep support. Sacred Heart College now turn their attention to Immanuel College in Round 2, in what will surely be a fantastic match.

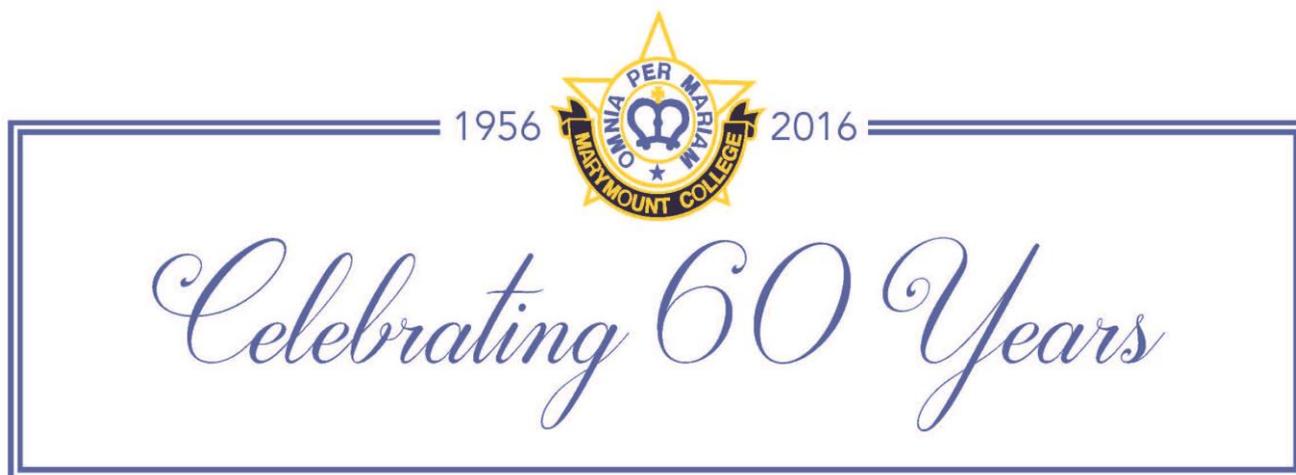

**Kurtis Harrison**

## CONGRATULATIONS

The following Middle School students have been selected for the City South SAPSASA Soccer team:

Ethan Tinnion  
Fergus Lynch  
Callum Bailey  
Khalen White  
Owen Thrussel  
Oscar Gohl  
Lachlan Nottle  
Bailey Calderbank  
Jai Shipton  
Ned Styles

This year we celebrate the 60th Anniversary of Marymount College. During this time we have seen many changes, including our location, learning opportunities, facilities, students and staff.

Our celebration dates are below, please check online for updates:

**Friday 19 August 2016**

Marymount Quiz Night Polding Centre, 7pm  
Pay for and book your table on 8298 2388

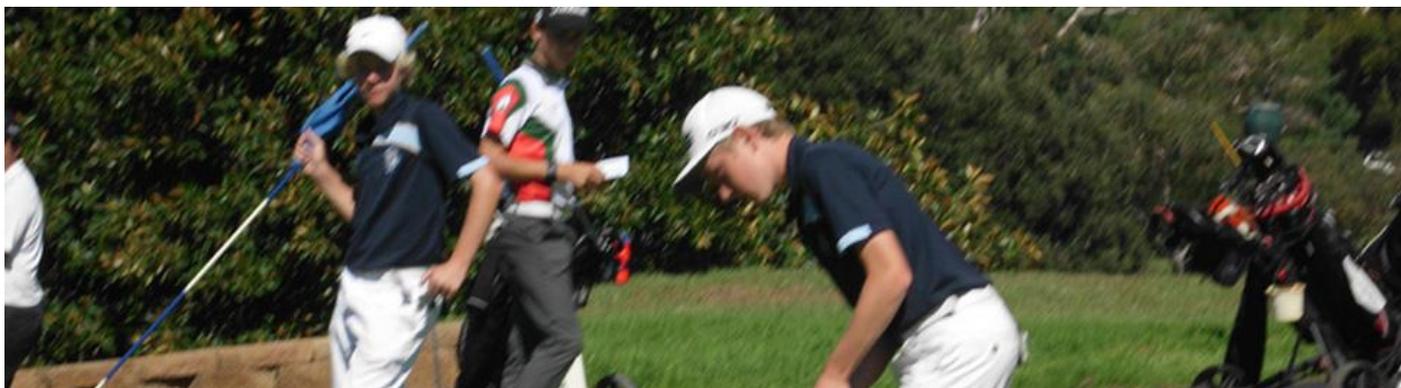

**Friday 9 September 2016**

Feast Day Mass, 9:00 am start in the Polding Centre followed by *Mary sculpture* unveiling,  
College tours and Morning tea.  
Marymount 60th Anniversary Reunion, 7:00 pm – 10:00 pm in the Polding Centre

RSVP by 2 September 2016  
8298 2388

## Come and Try our Golf Academy

Available for middle and senior school students, the Golf Academy is suitable for players of all abilities. The Golf Academy aims to provide a tailored coaching experience designed for new or newly established young golfers to have a go at golf or to extend their skills. It is an ideal opportunity to introduce children to the game of golf in a safe comfortable environment.

The Golf Academy is held on Tuesday morning's from 7:00 am-8:00 am at Glenelg Golf Club. Cost: \$150 for 10 sessions.

For more information contact Adam Rice on [adamrice@shc.sa.edu.au](mailto:adamrice@shc.sa.edu.au)

*Being part of the academy has opened up a whole new world for me. Not only did I start learning about golf, I've made some close mates, become a close part of the Glenelg community, am playing junior pennant golf and have been fortunate enough to receive a part time job at the club as well. Darcy Burns, Year 10*

## College Uniform Shop

Located at the rear of Sacred Heart College Senior School, Scarborough Street, Somerton Park. MasterCard, Visa Card and EFTPOS available. Direct telephone (08) 8350 2586. Second-hand uniforms.

### Term 2 Trading Times

Tuesday: 1:00 pm - 6:00 pm

Wednesday: 8:00 am - 12 noon

Thursday: 1:00 pm - 6:00 pm
