SACRED HEART COLLEGE

From the Principal

Dear members of the Sacred Heart College community

Ever wondered how Sacred Heart is perceived from afar or by students visiting from overseas? Following is a letter written to the College community by Marie from France who has spent her exchange experience with us. She captures what she perceives to be the special characteristics of our school and it seems to me that it is a fine message to conclude our newsletters for the term!

Over to you, Marie!

With best wishes.

Steve Byrne
Principal

Dear Mr. Byrne, Teachers, Staff and Students

I'm writing you this letter to thank you for all the things you did for me. Thank you for your amazing welcome at Sacred Heart College, which has been one of the best experience I have had. I would never think to be able to adapt that well and that quickly. I want to thank the teachers who have always been here for me when I needed and when my confidence was the lowest. I want to thank the students who made my time in Sacred Heart really enjoyable. I have never seen a friendship that strong between students, nobody is left behind and you would always find someone to help you and encourage you. Sacred Heart is like a big family and I grew so much thanks to you. I had the chance to try things we don't have in France, I tried new subjects like photography which I loved, art and also nutrition. I tried new sports in PE and Integrated Learning for example netball, touch football... I have been participating to the year 12 retreat which was really interesting, I met new people there and became closer to others. I had the chance to go to the formal which was amazing, everyone was looking so great, they were so happy and it was nice to spend time all together. My time in Sacred Heart made my exchange more enjoyable and exciting than it already was. I will never forget the people I met, the relationship I built, the chance I had to come in your school. I wish I could stay longer but my exchange ends.

To conclude, just a big Thank you.

Regards

Marie MOBON.

REMAR Gold Retreat (Victoria)

From the Head of Champagnat Campus

As the term draws to a close and Winter sets in, I am prompted to pause and reflect on the term that has been. It has been a privilege to lead and serve in this community.

Pedal Prix

Over the weekend, I had the opportunity to visit our Pedal Prix teams at Victoria Park. It was an extraordinary event and Sacred Heart was well represented. Among the 5 teams competing, was our first combined Year 6 team - an historical first for the College. While there were no podium finishes for our bikes, students loved showcasing their school and a wonderful day was had by all. I know that our staff greatly valued the contribution of the parents who managed the meal preparation and marshalling throughout the day. I would especially like to acknowledge the significant contribution of the team of staff associated with Pedal Prix: Kate Bawden, Sean Perry, Sonja Brownridge and Joe Millemaci.

Go West

Earlier this week our Year 9s took the stage, **Go West** was their production. The play was humorous and well-crafted. Students were outstanding in their roles and maintained character with great professionalism. For many of the Year 9s, this was the very first time they have performed on stage. With a mixture of nerves, butterflies and a myriad of lines, the students performed beautifully. I congratulate Laura Parsons and her Drama classes on two highly successful Year 9 productions.

A Commitment to Learning

Our students are being challenged at the moment with their study. Academically, this is a busy time of the year, when the completion of large assignments is a focus. A number of students have set up good study routines at home and are making the most of support offered in class. The spirit and tenacity of our students as they strive to be their best, is wonderful to witness.

Report Distribution

At the end of the Term, all students will receive their Semester 1 Academic Report. This report will provide parents and caregivers with an indication of their child's academic achievement for the Semester. I encourage parents and caregivers to use this report as an opportunity to sit down with their child to discuss progress, effort and help them set new goals for Semester 2. The power of this discussion and goal setting cannot be underestimated and is particularly meaningful for students, when they share this with others.

Finally, I would like to thank both staff and families for being part of another busy semester at the Marymount Campus. Sacred Heart is a dynamic and rich community, which can be attributed to the people who are part of it. It is truly a wonderful place to work.

I wish families a restful and joy filled break and look forward to seeing refreshed faces next term.

Kate Kilpatrick

Head of Champagnat Campus

Marymount Music Night

Final rehearsals are being held in readiness for the Marymount Music Night on Tuesday 26 June. Students across all year levels will be performing, including our percussion, ukulele and strings ensembles, as well as a number of soloists showcasing their skills on their chosen instrument. It's sure to be a great representation of the Arts at Marymount.

Term 3 will see our bands preparing for the ABODA Band festival and another campus music night for you all to enjoy later in the term. I'd like to thank our campus instrumental tutors for all they do to support and encourage our young musicians, especially in preparing for such events.

Pedal Prix

Last Sunday our Sacred Heart Pedal Prix team competed in their first event of the season, at the impressive Victoria Park race track. It was a special moment for our 45 riders and our College as for the first time we entered and competed as a combined Marymount and Sacred Heart Team. Many new families were welcomed into to the Pedal Prix family and they braved the cold and blustery conditions - a fantastic demonstration of family spirit in action! Behind our dedicated riders there is a wonderful group of parent volunteers and the teaching staff who both coordinate and support. I acknowledge and thank the fine efforts of Sonja Brownridge, Sean Perry, Joe Millemaci and Kate Bawden from both Middle School and Marymount Campus who are leading Pedal Prix in 2018. If you haven't had the opportunity to witness Pedal Prix in action, I warmly encourage you to do so! The next event is on Sunday 29 July at Victoria Park and I can assure you, our riders would love to see you there.

End of Semester 1 Reports

Teaching staff are in the final stages of preparing the End of Semester Reports and these will be distributed to learners at the Middle School next Thursday 29 June. In reading through the reports, I encourage families to identify and discuss both growth and achievement made across all areas of learning and to consider new possible learning goals for the second half of the year. The Good News Assembly next week will us provide us with the opportunity to acknowledge students who have obtained excellence in their academic endeavour and those who displayed ongoing commitment, a positive attitude and persistence towards their learning.

Shana Bennett

Assistant to the Principal - Champagnat Project

Year 9 Rite Journey Camp

In Week 6 of this term, the Year 9 students headed off for their Rite Journey Camp experience. The camp was based in the Mid North of South Australia's Flinders Ranges at a private property called *Bendleby Ranges Station*. Students spent their time developing community living skills at various base camps, as well as participating in mountain biking, bushwalking expedition, team survival challenge and an overnight solo experience. For most of the students, setting up their own tents and cooking dinner for themselves on trangias was not something they did often. Each of the activities were fun in their own way, however, the mountain bike riding, hiking and the overnight solo experience were the highlights for the camp. Students had the opportunity to build campfires, play camping games as well as relaxing with their Homeroom peers. Congratulations to the following students who received *Man of the Camp* awards for their Homeroom:

9.1 Alex Neilson

9.3 Ryan Morris

9.5 Edward Ganley

9.7 Aidan Bullock

9.2 Ben Tee

9.4 Joshua Swinton

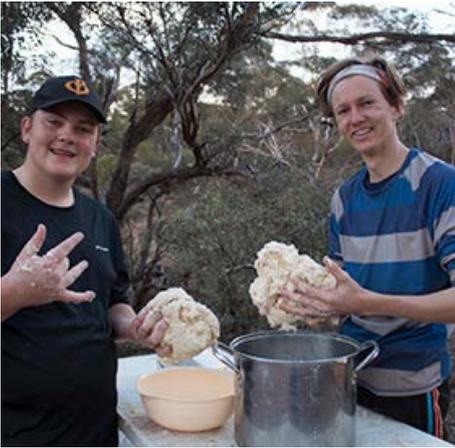

9.6 Benjamin Davies

This award was given to students who showed helpfulness around camp, a positive attitude towards the camp activities and were respectful and kind to their fellow students. Thank you to Ben Tee (9.2) who took some amazing shots of the camp - I hope you enjoy the gallery! Lastly, a big thanks to all the staff who attended as well as those who were involved in the organising of such a big camp of 180 students.

Ben Dray

Year 9 Leader of Student Wellbeing

Canteen Manager

From the Head of Senior School

Year 10 and 11 students are poised to commence Semester 2 next Monday, while our Year 12 students are hard at work completing their Research Project final assessment pieces. Once again, our Senior School students have been active on a number of fronts including final performances for Performing Arts subjects, Semester 1 written examinations and Marist activities.

Marist Solidarity

Winter Sleepout with Cardijn College

A large group of students and staff from Cardijn and Sacred Heart College joined together in solidarity with the homeless and disadvantaged for our own Vinnies Winter Sleepout on Friday 6 June. Students were asked to bring with them clothing and blankets that they would donate to the cause, as well as a cardboard box to use as a mattress. Jayne Shortt, Schools and Community Engagement Officer at the St Vincent de Paul Society, presented some startling statistics which suggest that homelessness is increasing drastically throughout Australia and organisations like Vinnies, provide hope for thousands of people living on the margins. We were challenged to be agents of change in the community through knowing that our impact at a local level can bring about considerable change on a larger scale. One student put it perfectly on Saturday morning, after waking up on a cardboard box on the cold gymnasium floor that, *"I am is just grateful to have a roof over my head"*. We extend our thanks to our Marist friends at Cardijn College for hosting the event.

Marist Immersion Experience 2018

The Marist Immersion teams for 2018 have been selected and fundraising is well under way. So far this year we have raised funds through BBQ's at Sports Day, Saturday sport at the Main Oval and the Feast of St Marcellin, as well as larger scale events like Founders' Day. We have also been serving barista coffee to our staff on a Thursday morning while our students learn the inner-workings of an industry standard coffee machine. Our next fundraising initiative is a movie night on Wednesday 25 July at Event Cinemas Marion. Gather your family and friends and view one of Marvel's most anticipated releases of 2018, **Ant Man and the Wasp** while supporting Marist projects in Sri Lanka, India, Fiji and the Philippines! Bookings can be made through [TryBooking](#).

Feast of the Most Sacred Heart of Jesus

"I will leave you in the most sacred hearts of Jesus and Mary" - St Marcellin Champagnat. On Friday 6 June, we celebrated a significant Feast Day in the Catholic Church and for our school community. The Sacred Heart of Jesus has long been a symbol of love and hope for all followers of Christ and reminds us that at the core of our being, is a relationship with the Saviour. A special prayer service was conducted in Homerooms where our students were called to open our own hearts and minds in courage, to receive the gifts that continue to flow from the Heart of Christ.

Year 10 Drama Production

On Thursday 14 June, the Year 10 Drama class performed their production of **The Grimm Tales**. Staged as a physical theatre piece within a presentational style, the cast played the parts of storytellers positioned within a children's pop-up book, which saw all actors on stage at all times doubling as trees, birds, wild beasts, flames... and everything else required to bring the tales to life. Although performing *The Grimm Tales* might seem child-like and simple, the staging and direction of the production was complex, sophisticated and demanded discipline and concentration from students - especially during scenes where presence and focus was required when secondary characters were not seemingly central to the scene. Performing *Hansel & Gretel*, *Little Red Cap*, *Iron Hans*, *Snow White* and *The Golden Goose*, the Year 10 Drama

Class entertained audiences young and old. The end of next term will see the Stage 2 Drama class perform their Group Production of Ross Mueller's adaptation of Markus Zusak's, **The Messenger**, together with Individual Study presentations.

Year 10 and Year 11 Exams

The Year 11 end of Semester exams commenced on Friday 15 June and conclude today. Year 10 students completed their mathematics and science exams today as well. These exams provide students and parents with valuable feedback on the learning that has been undertaken in Semester 1. Semester 2 classes commence on Monday 25 June.

Gail Morgan

Head of Senior School

Developing Minds

Year 12 students recently participated in their third and final session with psychologists from Developing Minds. The final session was on **Managing Stress**, an important and timely topic as students complete the Research Project and prepare for Trials Exams. Please read the article from [Developing Minds](#) which provides some tips on how Parents can support their children to manage stress and tough times.

VET Q&A

Vocational Education and Training (VET) is a great choice for many students. VET includes classroom based and job related hands-on learning. VET enables students to gain skills and knowledge through nationally recognised industry-developed courses and allows students to gain their SACE whilst at the same time obtaining a VET qualification. This term our VET Coordinator, Leanne De Young, sat down with Year 11 students, Kiana Arriola and Alyssia Whittaker, who are studying a Certificate II in Community Services (Childcare). Kiana and Alyssia travel to Henley High to study one morning a week. Their qualification takes one year to complete and may be used as a pathway qualification into community services work and a number of Community Services & Health courses at Certificate III level.

Q: Why did you choose to study a VET Course while doing your SACE?

Alyssia: I want to study Nursing and Midwifery at Uni. This certificate will help with some background and I could use it to fall back on.

Kiana: I want to work with children when I finish school and may continue my study after working for a while.

Q: What does a typical day at VET look like?

Alyssia & Kiana: Our course starts at 7.45am and goes until 11am every Friday. Once we arrive we usually have a debrief which is followed by a class discussion, complete a unit of competency – this is either in a group or on our own. It is a theory orientated course. Students from 3 schools are in our class.

Q: What do you like about your VET Course?

Alyssia & Kiana: We really like the environment - it's like a workplace and we are treated as adults. It does feel a little more relaxed than school but we work hard.

Q: Do you think you'll continue VET in Yr 12?

Alyssia & Kiana: Possibly but we're still considering our options. Our Careers meeting has been useful to help us think about what to do.

Q: As you are away from school to study your VET course, how do you manage to keep on top of your school work?

Alyssia: I talk to my teachers to find out what I've missed out on at school while I'm at VET and use my library study line to catch up.

Kiana: I check with my teachers what I have missed and check google classroom. Half a day a week at VET isn't too bad.

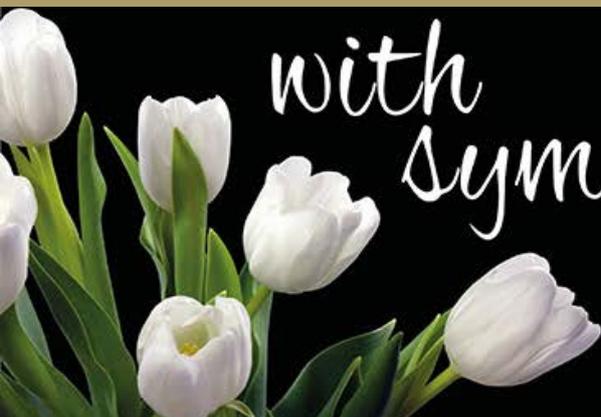

Q: Any words of wisdom for students considering studying a VET Course?

Alyssia: Go for it! You get to have a taste of a potential career path while you are still at school. If it's not for you then it's still ok.

Kiana: Give it a try! It's worth going to the Careers Expo to find out what's available.

with
sympathy

God of love our families and community who have known the time for planting, for laughing and for dancing. The joys of happier days can never be taken from them. Let those joys soften the pain of their suffering now. We ask this through Jesus and his mother, Mary. Amen

The Sacred Heart College community extends its deepest condolences and asks your prayers for Jorja Davies (Marymount Campus) who have had a family member pass away recently.
