

## Lasallian Volunteer Celebration Campaign

# A great week for all committed Lasallians!

---

*The very first edition of the Lasallian Volunteers Celebration Campaign is already over!  
Here is a summary of what happened from December 5<sup>th</sup> to 10<sup>th</sup>.*

---

★ From the very first day of the campaign, the International Council of Young Lasallians invited all ministries and Districts to highlight the contribution that volunteers bring to the Lasallian Mission and to share their good news with the rest of the Lasallian Family. It started on December 5th as we united with the rest of the planet to celebrate International Volunteer Day. You can find more information here: <https://www.unv.org/international-volunteer-day-2016>

★ Throughout the week, many people and institutions answered the call and we shared everybody's contributions on social media. We can mention the active participation of the RELAN Lasallian Volunteers and Young Lasallians all week long on Facebook and Twitter. Then, on December 7th, we dedicated the day to the District of Antilles – Mexico South, which asked all its volunteers, past and present, to send photos and a video of their experience. You can find all the documents here: <https://drive.google.com/drive/folders/0B5oX7ulv6dPCd2E4VktuQkIsS0U?usp=sharing>

★ We also published an overview of the various volunteering programs that exist in the Institute, highlighting the involvement of Lasallian volunteers from across the world. ★ Lastly, on December 10th, we again united with millions of other voices to celebrate Human Rights Day. You can find more information here: <http://www.un.org/en/events/humanrightsday/>

You read and shared all publications on Facebook, Twitter and Instagram in great numbers, using the hashtag **#LaSalleVol**. Thank you! You can have a look at what was published by visiting our social media accounts.

And don't forget to keep thanking volunteers all year long!

**Dear volunteers, thank you!**
