

Dear Young Lasallian,

As you may know, the International Lasallian Days for Peace (ILDPA) are held every year from September 21st, the International Day for Peace as decided by the United Nations, to October 21st. During this month, Young Lasallians from all over the world are invited to celebrate peace through concrete means, while focusing on a specific theme every year. A poster is also published every year to help advertise the campaign. And we want you to design it!

Here are a few criteria that your poster must meet if you want to see your submission to be chosen as the next ILDPA poster and be promoted all across the Lasallian world.

Theme: Peace Without Limits

Inspired by the Institute theme for 2017-2018, "Lasallians Without Limits", this year's theme encourages us to go beyond our own limits and will be particularly focused on issues regarding immigration and refugees in our communities and in the world.

Deadline: June 15th 2017

Elements that must appear on the poster:

**The theme, "Peace Without Limits"
International Lasallian Days for Peace
11th edition
September 21st to October 21st 2017
International Council of Young Lasallians
icyl@lasalle.org
Young Lasallians logo (attached)**

And the rest is up to you! Let the theme inspire you into designing a poster that will resonate with young people all over the world!

Please be informed that by submitting your poster, you accept to give all rights over your work to the Institute of the Brothers of the Christian Schools, and that the Institute may use your work in whatever way it sees fit for its own purpose without any kind of compensation.

You can send your submission to us via email at icyl@lasalle.org.

We can't wait to see your creativity at work! Good luck!

The International Council of Young Lasallians
