

Crimp@Coil

Electric Double-Sided Coil Crimpers

[NEW PRODUCT!]

Speed up your coil binding process with this time saver! Akiles Crimp@Coil is an easy to use electric coil crimper that cuts & crimps on both sides of the coil at the same time, preventing it from rolling back out of the holes of your document.

Unlike any other machine on the market today, Akiles Crimp@Coil's unique design accommodates all coil sizes from 6mm - 50mm, without the hassle of interchanging any parts. Its simple 5-Step setup only takes the operator seconds to change coil or sheet size settings.

Akiles Crimp@Coil is the ideal choice for high-volume binding facilities, as well as anyone who wants to avoid using manual crimping pliers during the coil binding process. Save time and money by ordering your Akiles Crimp@Coil today!

Electric Double-Sided Coil Crimpers with adjustable knives: Avoid manual coil crimping process and improve productivity.

Works on Full Range of Coil Sizes: Quickly and easily crimp all coils sizes (from 6mm to 50mm).

Adjustable Crimper Heads: No hassle of switching crimper heads for different sizes.

Simple 5-Step Setup: Only takes seconds to change coil or sheet size settings.

Special Coil Alignment Guides: Ensures a perfect, consistent result in every crimping operation, by guiding your coils in a well-centered position to the knives.

54 cycles per minute: Fastest cycle speed in its class, higher productivity.
