Community Garden Plan of Management

It must be demonstrated that there is adequate commitment and capacity within the group to plan and establish the garden and provide for its ongoing maintenance. A Plan of Management is a good tool to demonstrate these requirements and plan for the long-term management of the garden. At a minimum, the following should be included in your Plan of Management and attached to this application.

- Aims and objectives of the group
- Group structure
- How decisions will be made
- The conflict-resolution process
- How new members will be recruited
- Proposed methods of fundraising
- Hours of operation and access
- Method of gardening
- What plants will be grown
- How organic waste will be managed
- How water will be conserved
- How pests will be controlled
- How vandalism will be prevented
- How you will ensure site remains tidy
- How you will minimise noise and odour
