

AACTA ACCREDITATION FACT SHEET

About AACTA Membership

Members of the Australian Academy of Cinema and Television Arts (AACTA) are responsible for recognising and awarding screen excellence in Australia, particularly through voting in the annual peer-assessed AACTA Awards. Therefore, professionals working within the Australian screen industry demonstrating relevant qualifications and experience are invited to apply for AACTA membership.

AACTA members form a cross-section of the screen industry including production across all screen crafts, distribution, exhibition and television networks. AACTA is overseen by the AACTA President, Geoffrey Rush. It comprises 16 Chapters, each representing an area of professional specialisation within the Australian screen industry.

AACTA members are eligible to vote in the AACTA Award categories according to accreditation(s) and chapter(s). They may also be eligible for judging non-feature and television entries via AACTA Awards Juries.

All applications are individually reviewed and therefore a current CV or filmography must be supplied as part of membership application.

How to apply

1. Before applying, please carefully read through the **selection criteria below** to determine whether you believe you are eligible to become an AACTA member. All applicants must supply a current CV or filmography attesting to their experience within the film industry in support of their application/accreditation.
2. To join as a new member of AACTA, please complete the online joining form via aacta.org. Your membership will be *pending* until your CV is received and your eligibility is approved by the AACTA Membership Department.

Note: Membership applications take approximately 14 business days to process.

How to renew

If your membership expired more than two months, you can apply to renew your membership and become a member of AACTA by contacting the AFI | AACTA Membership department on 1300 139 697.

Note: You will not need to re-apply for accreditation unless your screen credits have changed.

1. Select your AACTA Membership role(s) and chapter

Feature film, television, documentary, short fiction film and animation

To best represent the seniority and experience of roles and accreditation within chapters, a weighted voting system has been introduced for Feature Film voting in the AACTA Awards.

Accreditations marked with an asterisk (*) denote a weighted vote across Round One and Round Two voting.
