JP Register

The JP Register is an online public listing of all current JP's in NSW. It is available at the JP website www.jp.nsw.gov.au. The JP register allows members of the public to search for a JP who is available in their local area.

The JP Register can also be used to check if a person is currently appointed as a JP, by entering the JP's name or registration number.

Once again, congratulations on your appointment as a NSW JP.

Yours faithfully
