### Specialist educators

ACGB engages a wide range of speakers for inclusion in our Education and Training Program. Both national and international clinicians and researchers are invited to speak at special events and conferences. This breadth of knowledge, experience and expertise ensures that the most up-to-date research and information is delivered to participants.

### Customised training

ACGB offers a range of customised training and consultancy services that provide informed, high quality, professional development programs that meet the specialist training needs of organisations, groups and individuals.

The Centre has provided training and consultation to a wide range of organisations and programs including:

- local government
- schools and school support services
- hospitals
- university departments
- State and Commonwealth government departments
- health centres
- residential care services
- community groups.

Training can take place in client venues throughout Australia or at training facilities at the offices of the Australian Centre for Grief and Bereavement, which are located in Mulgrave, Victoria.

For more information on customised training, contact us on 1800 642 066 or email [education@grief.org.au](mailto:education@grief.org.au)

### The Australian Centre for Grief and Bereavement Education Program

As the largest national provider of grief and bereavement education, The Australian Centre for Grief and Bereavement (ACGB) offers high quality, evidence-informed education and training opportunities for health professionals, students, volunteers and other individuals or agencies looking to enhance grief and bereavement knowledge and practice.

Education and training programs are offered as:

- workshops
- seminars
- short and long courses
- customised training
- conferences
- international educator events
- webinars.

At the commencement of each year, ACGB publishes a Programs and Services Brochure containing all training and professional development opportunities for the calendar year. This brochure is available for download at [www.grief.org.au](http://www.grief.org.au)

The Education and Training Program is offered Australia-wide, including regular sessions in:

- Melbourne
- Sydney
- Brisbane
- Adelaide
- Perth
