

Ready Set Prep

Practicum Programs

Get ready to take learning in your Prep classroom to the next level.

The Contemporary Learning Hub is proud to announce the return of our Ready Set Prep Practicum Programs. These 2 day programs provide an unprecedented opportunity for Prep educators to immerse in a professional learning experience where they can unpack pedagogies that are appropriate for Prep learners.

IMMERSE DISCOVER EXPLORE

Our Practicum Programs are facilitated by a team of highly experienced facilitators and Prep educators who are passionate about helping other educators make Prep learning environments dynamic, engaging and supportive learning environments.

EXPLORE WHAT WORKS IN PREP

Take part in a range of sessions and workshops where you'll unpack the pedagogies and strategies that achieve real outcomes in Prep classrooms. From making your Prep classroom inclusive to ensuring you're using pedagogies suitable for Prep learners, you'll discover a world of knowledge and ideas for improving learning outcomes in your Prep context.

DISCOVER DIGITAL TECHNOLOGIES

Get hands-on with an amazing array of digital tools and technologies that you can use to engage, support and challenge learners in your Prep classroom. See them in action with our students. You'll even receive your own digital tool to keep to power up learning in your own Prep classroom.

SEE LEARNING IN ACTION

Take a tour of our Prep classrooms to see high quality pedagogies in action. Previous participants to our Practicums have been in awe of the dynamic, innovative and engaging learning environments that are our Prep team have created. Talk with our Prep teachers and hear the intent behind the pedagogies, strategies and resources they use in their classroom environments.

JOIN OUR COMMUNITY

Connect, collaborate and share ideas with our team and delegates from throughout the state. Practicum participants will also be given access to our Innov8 Early Years blog to enable them to continue their learning journey when they return to school.
