All Prep teachers know that we’re off on another adventure this year. So why take on 2015 all by yourself, when you can get your year off to a flying start with Prep teachers from throughout the state as part of the 2015 online festival. Participants have exclusive access to:

- over 12 hours of high quality live and on demand PD sessions delivered over a four week period. Participants can join in the live sessions or view the recordings whenever they choose. With our one cost per school, your whole Prep team can participate in the web conferences together or select who views what and shares back with the team.
- inspiring and practical sessions on everything from the most common mathematical misconceptions of Prep students to how you can make play an integral and valued part of your Prep program.
- demonstrations of digital tools and pedagogies being used in Prep to improve student outcomes, learner engagement and assessment processes.
- opportunities to connect, share and collaborate with Prep educators from throughout the state.
- Exclusive competitions and prize giveaways from our festival sponsors.

Register via: www.contemporarylearninghub.com

Cost: $220 inc GST for the full program. Only one registration is required per school to enable access to all sessions for your whole Prep team. The full program with session links and passwords will be forwarded to participants in the week prior to the festival.

Check out the full program on the following pages >
Playing to Learn - Monday 2\textsuperscript{nd} March – 3:30 – 4:30pm
Join us online for the launch of our 2015 Prep Online Festival. This year our theme is ‘Playing to Learn’ and during the launch we will be exploring how creative, passionate and innovative educators manage to make play work as an integral part of their Prep program.

Powered Up Prep Classrooms –
Tuesday 3\textsuperscript{rd} March – 6:30 – 7:30pm
This session will showcase a range of inspiring and practical ideas to use in your Prep classroom. Our 2015 guest Prep educators will be sharing pics from their classrooms and showcasing how they use digital tools, clever routines and transitions and innovative pedagogies to make learning and assessment dynamic and engaging in their Prep classroom.

Now you’re talking - Oral Language Development - Wednesday 4\textsuperscript{th} March – 3:30 – 4:30pm
Discover a range of engaging apps, games and digital play based learning contexts you can use to support your students oral language development. This session facilitated by our Hub Coordinator and Primary ICT specialist teacher Kristine Kopelke. She will share with you heaps of ideas for how you can include oral language activities as part of your implementation of Prep C2C units and the Australian Curriculum.

Big Ideas for Little Fingers - Thursday 5\textsuperscript{th} March – 3:30 – 4:30pm
Want some big ideas for how you can get the little fingers in your classroom moving? Then join us for this session where we’ll explore ideas, activities, resources and apps you can use to support your students to develop fine motor and handwriting skills. The session with Prep educator and advisor Mandy Burns will include some ready to go activities you can try with recycled and easily accessible materials.

Mathematical Misconceptions in Prep - Monday 9\textsuperscript{th} March – 3:30 – 4:30pm
This session will delve into the most common mathematical misconceptions that Prep students have. As we explore each misconception, we’ll look at practical ideas and strategies you can use to help move students on.

Prep Online App Meet 2015 - Tuesday 10\textsuperscript{th} March – 6:30 – 7:30pm
Join us for our annual Prep Online App Meet where we’ll showcase the mobile apps that are making learning and assessment processes awesome. This session will include the sharing of apps crowdsourced from festival participants via our ‘Awesome Apps for Prep’ competition.

Digital Text Innovations - Wednesday 11\textsuperscript{th} March – 3:30 – 4:30pm
Join Adrian Greig – Prep Teacher from Maleny State School for this session where he’ll share how he uses digital tools with his class to create engaging and fun digital text innovations. Learn how to make your own using tools available on your laptop and see examples of narrative and procedural texts that his students have created.

I love to count! – Monday 16\textsuperscript{th} March – 3:30 – 4:30pm
Just like the Count Von Count in Sesame Street, we love to count in Prep. In this session, we’ll share heaps of ideas and activities that you can use in your classroom to support students to develop their understanding of number and their fluency with counting and simple addition. Discover how the Count is being used to help our students develop positive dispositions towards numbers.
**Story Links** - Tuesday 17th March – 6:30 – 7:30pm
Join us for this session to discover the picture books, iBooks and story apps you can use with your Prep students to make links and support the development of concepts across Prep learning areas. We’ll also be sharing the books and apps that our festival participants have submitted as part of our Story Links festival competition. This session will be facilitated by Jenny Somerville, an experienced Teacher Librarian turned Prep educator at Meridan State College.

**Take and Make** - Wednesday 18th March – 3:30 – 4:30pm
Take what you want and make what you love! In this session, we’ll share awesome resources you can take and use straight away with your class. More importantly, we’ll share how you can use a range of easy to use programs and apps to make engaging and personalised learning activities, text and resources for your class.

**Sensational Selfies** - Thursday 19th March – 3:30 – 4:30pm
Join innovative Prep educator Sally Gower online for this session to discover how you can increase student and parent engagement through the use of selfies in the Prep classroom. See examples of how Sally and our Prep team have used this strategy and discover awesome apps you and your students can use to capture and mash up selfies for learning in your own class.

**Little by Little – A little becomes a lot**
Tuesday 24th March – 3:30 – 4:30pm
Little by little, a little becomes a lot. In this session, we’ll look at little things you can do every day in Prep to improve student outcomes. We’ll also share awesome ideas for five minute activities you can use to help students develop their understanding of key Prep concepts bit by bit throughout the year.

**Get SMART** - Wednesday 25th March – 3:30 – 4:30pm
As part of our final session for the festival, we’ll revisit some of the awesome ideas and strategies covered in the festival and use the SMART goal setting framework to set goals for making some of the ideas a reality in our Prep classrooms. In this session, we’ll also share some of the entries and announce all of the winners from our festival competitions.

---

**Share your super ideas for prep and win prizes throughout the festival!**

Thanks to the generous support of our sponsors, we once again have some super prizes to give away throughout the festival.

Details of how to win prizes will be provided in the official Program provided to all registered participants and schools in the week prior to the festival.

Hope to see you online!
