RANZCOG NZC 2015 Sponsorship/Exhibition Application Form .........................................................................................16
Dear business partners,

I am delighted to invite you all to be part of our 2015 Annual Scientific Meeting in Wellington, the capital of New Zealand.

We offer a very warm welcome back to our regular supporters. Your on-going, generous assistance enables us to offer the most current topics and innovative workshops, delivered by people at the top of their field. This year, we are delighted that, amongst other highly regarded speakers, internationally renowned laparoscopic surgeon Dr Charles Koh (USA) and also internationally acclaimed Maternal Fetal Medicine expert Professor Jan Deprest (Belgium) will be joining us. Please visit their profile page (page 5) for their recent achievements and interests.

A friendly welcome is also extended to any new suppliers who may be interested in partnering with us, either by taking a stand in the spacious Te Papa exhibition hall or by becoming one of our sponsors. We are confident that you will quickly feel a valued part of this lively and enjoyable meeting.

We look forward to seeing you later this year.

Warm wishes,

Dr Fali Langdana FRANZCOG, FRCOG, MRCP(I)
Convenor, RANZCOG New Zealand Committee 2015 Annual Scientific Meeting
The RANZCOG New Zealand Committee 2015 Annual Scientific Meeting will attract obstetricians, gynaecologists and registrars from throughout New Zealand and internationally.

Being part of the conference provides your company with an excellent opportunity to have a face to face discussion with attendees and to sharpen your profile in the women’s health market. Your participation demonstrates your company’s commitment to the delivery of excellent health care to women and their babies, and allows specialists in this field the opportunity to stay up to date with your innovative products.

**Why support RANZCOG?**

**What is the benefit for you?**

- Relationship development
- Direct access to decision makers
- Promotion of your products and services to current and potential clients
- Opportunity to talk to senior consultants and demonstrate your products
- Gain direct feedback from consultants to help you develop your products and services

**How we can help you promote your products and services**

- **Day catering and coffee carts in the exhibition space:** All meals and refreshments will be offered in the exhibition room. This year, we will also set up coffee carts with baristas in the room to encourage delegates to spend time around your trade booths.

- **Trade Exhibition Passport prizes:** We will again make the Trade Exhibition Passport available to every delegate. Passports that have been stamped by all exhibitors will be eligible for an attractive prize to be drawn on Friday 2 October. This has always been popular with delegates.

- **Raising your profile:** If you choose to become one of our Major Sponsors, your logo will be displayed on the screen between sessions and on all conference materials. The Platinum Sponsor will have an opportunity to speak for 5 minutes at the Opening Session on Wednesday 30 September.
Keynote Speaker
Dr Charles Koh

Director, Milwaukee Institute of Minimally Invasive Surgery

Charles is Board Certified in Obstetrics and Gynaecology in the USA, UK and Singapore. He is a Fellow of both the Royal College of Obstetricians and Gynaecologists and the American College of Obstetrics and Gynecology. He graduated from the University of Singapore Medical School, and did his residency and postgraduate training at the University of London, Hammersmith Hospital, before moving to the USA in 1977 as Assistant Professor, and later Clinical Associate Professor in the Medical College of Wisconsin.

Charles’s achievements include performing the world’s first Laparoscopic Microsurgical Tubal Anastomosis in 1992, and he was awarded the First Prize Video at the Joint Annual Meeting of the American and Canadian Society for Reproductive Medicine in 1993. He is also the inventor of the ‘KOH’ colpotomizer and simplified technique for performing Total Laparoscopic Hysterectomy in 1996, with patents for technique and device. He also originated the technique of Laparoscopic Suturing called the ‘Vertical Zone’ which has been implemented in suturing courses at AAGL, ASRM and SLS in the last 6 consecutive years.

Charles has invented many instruments for laparoscopic surgery and suturing (KOH macro needle holder, Ultramicro instruments, tenaculum etc). His many laparoscopic surgical videos have won first and second prize awards at ASRM, ISGE and AAGL meetings, and he has published chapters and articles.

International Guest Speaker
Professor Jan Deprest

Professor of Obstetrics and Gynaecology, Faculty of Medicine (KU Leuven) and University Hospitals Leuven

Jan is currently the Head of the Programme of Fetal Therapy at University Hospitals Leuven, a large referral centre for fetal diagnosis and therapy, the largest in Belgium, offering all standard non-invasive and invasive diagnostic tests and fetal surgical procedures.

He also holds multiple roles within the University Hospital, such as a Co-Director of the Pelvic Floor Programme, the Director of the Centre for Surgical Technologies, and an Academic Chair of the newly established Department of Development and Regeneration. He also holds various editorial roles in journals such as Prenatal Diagnosis (Section: Fetal Imaging and Therapy), and British Journal of Obstetrics and Gynaecology.
What's happening at the ASM on that day?

- A chance to talk to the presenters and attendees during the breaks
- Company banner placed at the back of the room
- Opportunity to drop pre-approved flyers on each seat and insert into each conference bag
- Company logo included in conference and workshop materials

**List of workshops**

**Advanced Laparoscopic Surgical Skills, and Suturing Workshop**  
Wed 30 September 2015 (co-sponsor with Downs Distributor)  
$500  
Please contact Makiko for more information.

**GROW Workshop**  
Wednesday 30 September, led by Prof Lesley McCowan and Ms Joyce Cowan  
$500  
The Gestation Related Optimum Weight (GROW) program has been developed to increase detection of vulnerable growth restricted babies before they are born. Currently approximately 2/3 of these small babies are not recognised before birth and they have much higher rates of stillbirth than babies who are appropriately grown. The GROW computer program generates a chart for each pregnant woman which is customised to her characteristics (height, weight, ethnicity and parity). The fundal (uterine) height is measured with a tape measure from 26-28 weeks and these measurements are plotted on the GROW chart. If a growth scan is performed the estimated fetal weight is also plotted on this chart. A structured education program has been developed for maternity care providers which includes a standardised technique for measurement and plotting of fundal height, recommendations for a growth scan if there is suspicion of suboptimal growth from fundal height measurements. We will also include recommendations about management (incl timing and frequency of ultrasound scans) for women who have risk factors for having a small baby. We aim to welcome many obstetricians to join us for the lively and interactive workshop. Depending on the needs, we are looking into having a separate workshop in the morning for midwives.

**Maternal Fetal Medicine Update Day**  
Wednesday 30 September, led by Dr Emma Parry  
$1,000  
This Programme is being developed by the Maternal Fetal Medicine network. For further information, please contact Makiko Wimbush.

**GP and O&G Workshop**  
Saturday 3 October from 9am to 5pm, led by Dr Judy Ormandy, Dr Jackie Hawley and Dr Samantha Murton (RNZCGP)  
$1,000  
We welcome General Practitioners for a practical and lively workshop. The talks we currently plan to include are: infertility (advice in primary care), abnormal bleeding, and hormone replacement therapy. We will also include practical tips on how to use pipelles, pessaries, Mirena, IUCD and Jadelle.

**CPP (Chronic Pelvic Pain) Workshop**  
Saturday 3 October from 9am to 12pm led by Dr Nick Bedford and Dr Susan Evans  
$500  
This workshop will look at case studies and talks from specialists from various fields from NZ and Australia. For more details, please contact Makiko Wimbush.
Exhibition Booth Package

Price per booth $3,335 (includes GST) Includes: two complimentary exhibitor tickets and a pre-constructed exhibition booth.
Additional exhibitor ticket sold for $345 (includes GST)

Exhibitor tickets includes
- Name badge and satchel
- List of participants
- A copy of the ASM handbook
- Morning & afternoon teas and lunches
- Participation in the Welcome Function
- An opportunity to purchase tickets for the social event and ASM dinner tickets

Please note that Thursday social events and Friday Conference Dinner tickets are sold separately.

Booth package includes
- Standard size (3.0m wide x 1.8m deep x 2.3m high)
- All charcoal, velcro receptive panel system. Panels will be supplied for two or three sides of the stand, depending on the location of the booth. All booths will feature inter-connecting panels.
- 2 x 150W spotlights
- 10 amp power supply with 4 pin junction-box power point
- Company name board
- Trestle table and two chairs

Booth allocation
Once the applications are approved by the Organising Committee and the deposit has been paid, your exhibition space will be allocated after the major sponsors (Platinum, Gold and Silver) have selected the booths.

If you have any surplus requirements for your booth
Any additional requirements such as extra tables, chairs, cabinets and build facilities, they can be ordered from the designated display supplier at your own cost. You can discuss the details with them after your payment has been completed.

Contact us
Please don’t hesitate to contact Makiko Wimbush, Conference Coordinator at mwimbush@ranzcog.org.nz l +64 4 472 4608.
Main conference venue

Museum of New Zealand Te Papa Tongarewa, Wellington

55 Cable St, Wellington 6011, New Zealand  |  TEL: +64 4-381 7000  |  http://www.tepapa.govt.nz/pages/home.aspx

Te Papa is New Zealand’s national museum, renowned for being bicultural, scholarly, innovative, and fun. The main exhibitions feature art, history, Pacific, Māori, and natural environment, and they are very interactive. If you are flying to Wellington, it will take approximately 15 minutes by taxi to Te Papa from Wellington Airport.

You will have an opportunity to visit the museum displays on Wednesday evening during the Welcome Function.
Terms and conditions
Acceptance of sponsorship applications will be subject to Organising Committee approval.
The Organising Committee reserves the right to decline applications based on any association, direct or indirect, that does not uphold the objectives of the ASM or RANZCOG.
50% deposit is payable with the application, and the remaining balance is due by 31 June 2015 to finalise the booking. All amounts are in New Zealand Dollars and include 15% GST. If the payment has not been made as above, the organising committee reserves the rights to offer the space to other suppliers on the waiting list.
Acknowledgement in printed material is subject to secretariat confirmation and receipt of artwork prior to printing deadline.
All attendees must be registered in advance. Please contact Makiko Wimbush if you have any questions (mwimbush@ranzcog.org.nz, +64 4 472 4608).

Cancellation Policy
In the event of withdrawal of sponsorship or other support, please note that unless that particular sponsorship / exhibition space is re-sold, the organising committee reserve the right to retain the deposit and any further payments received. Cancellations must be advised in writing.

Security
The site will be monitored and the exhibition area will be locked in the evenings. However, if you have valuable items, we recommend you hire a lockable storage shelves from our display supplier. You will be expected to ensure the security of your exhibition site during the day and RANZCOG does not hold any responsibility for damaged or missing items.

Internet access
Te Papa offers free wifi access throughout the building.

How to apply
Please reserve your stand by completing the registration form at the end of this booklet.
Accommodation nearby (for your information)
