Pre-Meeting Workshops: THURSDAY 25th FEBRUARY

Training Supervisor Workshops

Date/Time: Thursday 25th February 2016 9.00am - 5.00pm
Facilitators: Ms Lyn Johnson - Director of Education, RANZCOG
Mr Shaun McCarthy - Training Services Manager, RANZCOG
Fee: Free
Venue: Grand Chancellor Hotel, 29 Cameron Street, Launceston, TAS, 7250

This one-day workshop facilitated by College House is for new and experienced Core/Advanced and Subspecialty training supervisors and focuses on the supervisory role.
The workshop focuses on:
• the roles and responsibilities of Training Supervisors
• the learning objectives of the RANZCOG curriculum and its assessment requirements
• giving constructive feedback
• helping under-performing trainees
• RANZCOG training documentation

The workshops are interactive and include discussions, videos and role plays of difficult trainee-supervisor scenarios.
*This event is limited to 20 participants
RANZCOG Fellows attending the workshop can claim 8 CPD (meeting) points

1st and 3rd Trimester Ultrasound

Date/Time: Thursday 25th February 2016 at 8.45am - 5.00pm
Facilitators: Dr Janet Vaughan and Ms Lynette Hassall (Sonosite)
Fee: $900 inc GST (includes morning tea, lunch, afternoon tea and workshop materials)
Venue: Grand Chancellor Hotel, 29 Cameron Street, Launceston TAS 7250
This full day practical hands on workshop focuses on the management of 1st and 3rd Trimester Ultrasound Scanning, tailored specifically for ITP Registrars.

This workshop includes the following basic knowledge and practical training to examine obstetric patients:
• Scanning of patients at different gestations;
• Ultrasound physics;
• Understanding the ultrasound machine;
• Use of appropriate measurements to assess gestational age;
• First trimester ultrasound: recognition of normal findings; Third trimester ultrasound: recognition of normal findings;
• Reporting: communication, image recording and documentation.

The learning objectives for this workshop are to:
• Gain an understanding of technical aspects of generating an optimal ultrasound image.
• Understand normal ultrasound features of first and third trimester.
• Develop competent reporting skills.
• Achieve competency in basic trans-abdominal scanning of first and third trimester of pregnancy.

*This event is limited to 20 participants.

Pre-Meeting Workshops: FRIDAY 26th FEBRUARY

Fetal Surveillance Education Program - Refresher

Date/Time: Friday 26 February at 8:30am - 12:30pm
Facilitators: Mr Mark Beaves
Fee: $285.00 inc. GST
Venue: Grand Chancellor Hotel, 29 Cameron Street, Launceston TAS 7250

The FSEP Refresher program runs for 4 hours and revises the fundamental concepts of the full program. This program is a time efficient update for professionals who have previously completed the full program and achieved a score appropriate for their position description (Scoring and Reporting of FSEP Assessment). Participants in the Refresher program also complete the FSEP MCQ assessment at the end of this session.

Program Outline
Fetal heart rate control, the normal CTG and an introduction to the abnormal CTG
Morning Tea
The abnormal CTG, with an emphasis on decelerations, interpretation and management
CTG Workshop and Discussion
Course evaluation and 60 MCQ assessment
*This event is limited to 25 participants.
