Pitch-A-Policy Idea _____

Our 2020 Bluegreens Forum will celebrate 22 years of the Bluegreens, making us National's longest-running special interest group.

Bluegreens are part of a new generation of thinkers who believe that successful economic and environmental policy can and must go hand in hand in order to provide a cleaner, greener, brighter future for all New Zealanders.

In 2020, we will be holding our Forum at the Trafalgar Centre, Paru Paru Road, Nelson 7010.

Saturday 29 February

Our Spokespeople will be leading discussions covering recycling and reducing waste, sustainable oceans, conservation, and reducing greenhouse gas emissions.

Saturday Evening Dinner

You are invited to Nick and Linley's home for drinks, nibbles, and a BBQ dinner. It will feature the best of Nelson's fish and horticultural products, along with Nick's 'True Blue Home Brew'.

Sunday 1 March

Our traditional Sunday field trip will be a tour of Abel Tasman National Park.
