ABSTRACT SUBMISSION GUIDELINES

- Abstracts can only be accepted if received online in the requested format of a Microsoft Word file
- Abstracts submission deadline is June 30, 2018 and Country Report Card submissions deadline is 23 November 2018
- Please submit as early as possible prior to the deadline (in case you experience technical problems)
- Please select the sub-theme most relevant to your abstract and do not submit the same abstract under different sub-themes
- Abstract selection will consider relevance to the Event's main theme and selected sub-theme
- The event administrators will endeavour to notify authors of the selection committee's decision prior to June 30, 2018. However, all successful abstracts will qualify for early bird delegate registration irrespective of the date of notification of abstract selection outcome
- After submission, emails concerning the abstract will be sent to the principal author of the abstract. Please ensure that emails from the event administrators are not considered as spam by your email provider
- At least one author of each successful abstract must register for the event
- All authors of successful abstracts will qualify for early bird delegate registration fees
- Please do not include references or diagrams
- All funding sources should be acknowledged at the end of the abstract and included in the word count. Should this information be extensive you will be able to send it separately after the submission deadline if necessary
