

## MEDIA RELEASE

**Tuesday February 26, 2019**

### **ISA'S MINING EXPO REACHING CAPACITY**

Mount Isa's iconic biennial mining exhibition MineX is set to be hosted once again this year from May 30 to June 1, with organisers Commerce North West already reporting exhibiting spaces to be near capacity.

Showcasing the latest and greatest in mining and engineering technologies and innovations, along with a wide array of support businesses and mining projects from across the region, MineX 2019 will boast an extensive 3-day program.

"In addition to the introduction of a Saturday to our program and the enormous MineX Rocks free community concert on Saturday evening this years event will incorporate a Mining and Exploration Luncheon featuring speakers ranging from the Minerals Council of Australia to MMG Dugald River, a Trade and Industry Only day complete with tailored meet the buyer sessions and an evening networking function delivering maximum opportunity for exposure and genuine trade discussions; along with exhibitors from across the country and even globe" said MineX 2019 Event Manager Katie Schrodter.

"Bundled together this is making for a considerable amount of interest from organisations wishing to be a part of the exhibiting line-up; our floor plan already reaching over 90% capacity."

Hosted at Mount Isa's Buchanan Park Entertainment Precinct in the heart of the Carpentaria Minerals Province, MineX 2019 will kick off at 10am daily. Thursday May 30 will be a day dedicated to registered trade and industry buyers only; Friday May 31 and Saturday June 1 will be open to the public.

Locked in to exhibit as part of the large Haymans Electrical site, Todd Grice of APS Lighting and Safety is "looking forward to his time in Mount Isa and at MineX and maximising the opportunity to exhibit their innovative range of mine spec mobile machinery and fixed plant LED lights and fleet collision radar systems."

"We are excited to have the opportunity to participate in MineX due to its reputation, the meet the buyer sessions and it's support by the Mount Isa mining community" he said.

With expos such as MineX renowned for delivering maximum return on investment to those businesses who go that extra mile, Ms Schrodter applauded exhibitors like Todd who has been “actively pursuing meeting opportunities and promoting his attendance at MineX with current and potential clientele.”

Boasting free entry and a range of world-class indoor and outdoor exhibits and trade specials MineX 2019 is an event not to miss.
