

COLLECTION OF PERSONAL INFORMATION – EU GENERAL DATA PROTECTION REGULATION

By registering for New Zealand Aged Care Association Workshop 2022 your personal information including email addresses and data is gathered for the purpose of running the New Zealand Aged Care Association Workshop 2022. The information gathered is held in a secure server within the Ivvy Events Software environment – for more information on Ivvy security please go to <https://www.ivvy.com.au/events/security>

The New Zealand Aged Care Association Workshop 2022 Organisers, Convention Management New Zealand and Ivvy Event software employees have direct access to your data once it is collected. This is for the purpose of organising the Conference.

Use of your data

Your registration data will be used exclusively for the organisation of the New Zealand Aged Care Association Workshop 2022.

Your data will also be shared with the organisations and third parties as below:

- Ivvy, the cloud computing platform the events database is hosted from.
- The Workshop caterers
- Collateral and designer
- Convention Management New Zealand – Ivvy Database administrators
- New Zealand Aged Care Association Workshop 2022 Organisers

As part of the registration process, you will be asked to state your preferred data collection policy, the options are:

1. *I agree to allow my data to be used to organise the NZ Aged Care Association Workshops 2022.*
2. *I agree to allow my data to be used to organise the NZ Aged Care Association Workshops then want it deleted.*

Opting out

If, at anytime, you DO NOT wish your information to be shared in this way, please notify the New Zealand Aged Care Association Workshop 2022 organisers (Lili@nzaca.org.nz) to have your information withheld. Please note that if you choose to do this, your registration will be cancelled as there will be insufficient information available to organise your participation.
