## Reviewing Promotion Decisions

Ongoing Australian Public Service (APS) employees who are unsuccessful in applying for a promotion may apply to the [Merit Protection Commissioner](#) to have the promotion decision reviewed by a Promotion Review Committee. Successful applicants whose promotion has not taken effect can also apply for a promotion review.

Ongoing Parliamentary Service employees who have applied for a job in the APS at a higher classification level can also apply for a promotion review, or may be subject to an application for promotion review from an APS employee.

A promotion review can only be conducted for promotions to APS Level 1 to APS Level 6 (or equivalent) classifications. A Promotion Review Committee cannot review promotions to jobs at the Executive Level 1 and Executive Level 2 (or higher) classifications. However, Executive Level promotions may be subject to a [review of workplace decision](#) if there is a serious defect in the process.

Promotion decisions cannot be reviewed if they are based on the recommendation of an Independent Selection Advisory Committee or a decision of a Promotion Review Committee.

## How to submit a promotion review application

To apply for a promotion review, you can use the Merit Protection Commissioner (MPC) [online application form](#) and submit it within the relevant timeframe.

The successful submission of an online application will generate an email receipt to the nominated email address. If you do not receive an acknowledgement email with a receipt number when you lodge your online application please contact the MPC.

If you are unable to use or complete the online application form please contact the MPC for assistance on:

Email: [review@mpc.gov.au](mailto:review@mpc.gov.au) or phone: (02) 8239 5330

## Timeframes for applications

Applications for review of promotion decisions must be received by the Merit Protection Commissioner by 5pm local time on the 14th day after the promotion has been notified in the Gazette.

'Local time' is 5pm in the State or Territory in which the application is made. Applications made overseas must be received by the Merit Protection Commissioner by 5pm Australian Eastern Standard time.

Applications received after the closing date and time will not be accepted. The only time the timeframe will change is around the Christmas and New Year period, in accordance with subsection 24(2)(a)(ii) of the Public Service Regulations 2023.

Applicants are responsible for ensuring that their applications reach the Merit Protection Commissioner by the closing date and time. Applicants can contact the Review & Casework Team to confirm receipt when their application is submitted.

## **2023/2024 Christmas / New Year arrangements**

For promotion notices published in APS Gazettes PS50 and PS1 the Merit Protection Commissioner has extended the period of time applicants may submit an application for review. This decision was made in accordance with subsection 24(2)(a)(ii) of the Public Service Regulations 2023 and the Parliamentary Service Determination 2013 Clause 81(1)(b)(i)(B) and Clause 81(2)(b)(i)(B).

The new dates are:

Gazette PS50: Applications are accepted until 5pm local time, Thursday 11 January 2024

Gazette PS1: Applications are accepted until 5pm local time, Thursday 25 January 2024.

Local time means 5pm in the State or Territory in which the application is made. Applications made overseas must be received by the Merit Protection Commissioner by 5pm Australian Eastern Daylight Time. For questions about the timeframes for promotion review applications over the Christmas/New Year period, please email [review@mpc.gov.au](mailto:review@mpc.gov.au) or phone (02) 8239 5330.
