In February 2008, little did we know that 10 years on, Art Est Art School would be celebrating its 10<sup>th</sup> birthday and welcoming its 15,000<sup>th</sup> student.

**ACTIVITIES:** We are celebrating this milestone in a **Free Family Art Day** where visitors can come and sample a little of what Art Est has to offer. Get your hands dirty on the pottery wheel, help sculpt a giant dragon in clay, play with paint, mix your materials, draw with charcoal, sketch a cartoon – there's loads of activities to join in. Just bring your enthusiasm! We've also got some great prizes, special offers and an art market where you can buy fantastic artworks from some of our tutors.

There's activities for everyone to enjoy including kids and adults. Walk your dog, ride your bike, or jump in the car and come to the creative side of Leichhardt! Saturday 3 February, 10am-2pm.

**EXHIBITION:** Art Est tutors are all accomplished and award-winning artists, and our anniversary exhibition features artworks by many of these artists in a group show. Artists include: Tim Allen, Andrew Antoniou, Todd Fuller, Jody Graham, Nicole Kelly, Ochre Lawson, Marie Mansfield, Tania Mason, Paul McCarthy, Kevin McKay, Matilda Michell, Andrew Sullivan, Bernadette Trela. Exhibition at Art Est. Gallery 1-28 February.

**BACKGROUND:** Founder and Director Jennifer McNamara, established Art Est Art School in 2008 in a fabulous industrial estate in Lords Road Leichhardt. Her vision was to open a small art school with a couple of teaching studios. Demand for art classes for kids and adults has been so great that we now have four dedicated teaching studios, an art gallery and in 2017 opened a new ceramics studio with pottery wheels and kilns. The art gallery hosts a range of exhibitions throughout the year including the GreenWay Art Prize and WOOF!
