**Expressive Drawing workshop with Jody Graham**  
**with Jody Graham**

This list is a bit longer than it usually would be to prevent sharing material because of social isolation measures in place. We need to all have and use our own material throughout the workshop.

**Miscellaneous items.**

- A stick 30/40cm or 50cm in length
- Masking tape
- A metal or plastic spoon
- Old sponge or cloth and some shredded bits of an old rag or string – suggest onion or lemon bag or rip up old tea towel, old sleeve of garment, or use bit of twine or similar – see image
- An old tennis ball, shoe, nailbrush or toothbrush are great, you don't need all, some items handy.
- Paper towel or few pieces of toilet paper or some tissues
- A few containers, such as foil dog food containers in the image or used clean yogurt containers or similar, (not small jars) – they need to be big enough to dip drawing tool you are making in.

### Speciality Art Materials

- Ink – suggest black or sepia (see optional extras) 50ml art spectrum or Derivan or similar are good.
- Charcoal – willow or compressed. One stick.
- Hard Eraser
- Soft warm white pastel

### Paper

Paper - 10 sheets A3 or A2 or (A1 if you prefer to express yourself on larger scale) cartridge paper

\*Optional - better quality paper, we will be using ink, so heavier weight paper will respond better – 300gsm or heavier weight (gsm refers to the weight of the paper, the higher the number the thicker the paper). If you bring better paper, it's useful to bring cartridge paper too. If you want to buy paper go for something like Saunders Watercolour, smooth or medium grain, 300gsm or paper similar. Cheaper brands are fine, we can cut a full sheet of paper in class.

If you buy a watercolour pad go for A3 size and up

### Optional

- One or two extra ink colours of your choice can use acrylic too. Cheap brands fine to use.
- Soft pastels recommend few colours of your choice.
- Good A4 images of your own portrait or someone close to you.
