Role Description

Position: Gynaecological Oncology Specialist

Service / Directorate: Women’s Health
Surgery, Women and Children’s Directorate

Responsible to: Clinical Leader
Operations Manager, Women’s Health

Our Mission:
Together, Improve the Health and Independence of the People of the District

Our Vision
Better Health and Independence for People, Families, and Communities

Our Values:
- Innovation
- Action
- A focus on People and Patients
- Living the Treaty
- Professionalism through Leadership, Honesty, Integrity and Collaboration
- Excellence through Effectiveness and Efficiency
Context

Organisational perspective
Capital and Coast DHB is a provider of acute and elective health services in the New Zealand Central region. As a tertiary hospital, Wellington Hospital is responsible for the health care of a population in excess 900,000.

The Central region comprises 6 DHB: Capital and Coast, Wairarapa, Hutt Valley, Wanganui, MidCentral and Hawkes Bay. Taranaki DHB patients also come under Wellington Hospital umbrella for Gynaecological Oncological care.

Directorate perspective
The key areas of focus for the Surgery, Women and Children's Directorate relevant to this position are:

- To ensure clinical efficiencies and the effectiveness of clinical supply use
- To increase operating theatre efficiency and deliver the highest level of service.
- To lead and develop new ways of working between primary, communities, secondary and tertiary health care settings.

Service perspective
The Women’s Health Service provides Obstetric and Gynaecology care and associated support services on an acute and elective, inpatient, day patient or outpatient basis.

Location: Tertiary gynaecology oncology (GO) service is located at Wellington Hospital

Role perspective
- Provide access to high quality sub-specialist Gynaecology Oncology services for Central New Zealand women using the local resources of the CCDHB Women’s Health Service.
- Works with GO colleagues collectively to provide professional and clinical leadership for gynaecology oncology services within the Central Region of New Zealand.
- Participate in the development and quality of service provision in line with the overall goals and directions of the New Zealand Ministry of Health’s Cancer Control Strategy.
- Provide training, teaching, supervision and guidance for Resident Medical Officers, Trainee Interns and Medical Students in accordance with the requirements of the Royal Australian & New Zealand College of Obstetricians and Gynaecologists (RANZCOG).

Purpose of the role
To deliver senior specialist consultant services that will provide appropriate high quality Gynaecological Oncology care to central New Zealand women using the local resources of the CCDHB Women’s Health Services.

To provide training and teaching for Resident Medical Officers, Trainee Interns and Medical Students in accordance with the requirements of the Royal Australian & New Zealand College of Obstetricians and Gynaecologists(RANZOG)

To educate, guide and supervise O&G Registrars within the Central New Zealand ITP.

RD Gynaecology Oncologist Dec 2016
