NAIDOC Week 2019

NAIDOC Week 2019 invites you to walk in a movement for a better future. For generations, Aboriginal and Torres Strait Islander peoples have sought recognition of our unique place in Australian history and society today as the oldest continuing culture on the planet.

Early dawn light rises over Uluru, symbolising our continued spiritual and unbroken connection to the land. Our message, developed through generations, is echoed throughout the land. Hear our voice and recognise our truth.

Speeches by Dame Mary Kambala
