Dirty Ashtray Award

National Tobacco Control Scoreboard 2017

AMA and ACOSH are calling on Australian Governments to implement these recommendations:

- 1** Allocate adequate funding from the \$11 billion tobacco tax revenue to ensure strong television-led mass media campaigns at evidence-based levels, and related programs.
- 2** Ensure consistent funding for programs that will decrease smoking among Aboriginal and Torres Strait Islanders and other groups with high smoking prevalence.
- 3** Implement comprehensive action, including legislation, in line with Article 5.3 of the Framework Convention on Tobacco Control (FCTC) to protect public health policy from direct and indirect tobacco industry interference, and to ban tobacco industry political donations.
- 4** Ban all remaining forms of tobacco marketing and promotion and legislate to keep up with innovative tobacco industry strategies.
- 5** Positive licencing schemes for all jurisdictions.
- 6** Ensure further protection of the community from the harms of second-hand smoke.
