6.7L CUMMINS TURBO DIESEL ENGINE
276KW AND 1,084NM OF TORQUE

It's been a legend in America for over half a century. And now RAM, the legendary American Pick-Up truck is here. Its power is legendary thanks to the 6.7 L Cummins turbo diesel engine. Its performance is legendary, packing a whopping 276 kW and 1,084 Nm of torque. Its towing ability is legendary with capacity to tow up to 6.9 tonnes on the pintle. And its luxury and comfort is legendary.

The RAM Truck is re-manufactured by American Special Vehicles (ASV), a joint venture between Melbourne-based Walkinshaw Automotive Group and Ateco Automotive, currently the only factory authorised full volume importer of RAM Trucks into this country.

Our trucks are distributed and supported by a nationwide authorised RAM dealer network.
