General Warranty Terms and Conditions

Warranty Information

The warranties set out in these General Warranty Terms and Conditions are given by Volkswagen Group Australia Pty Limited ABN 14 093 117 876 trading as ŠKODA Australia (ŠKODA Australia) of 24 Muir Road, Chullora NSW 2190.

You may contact us by phone on 1800 607 822 or by email on info@skoda.com.au.

The benefits to a consumer given by these warranties are in addition to other rights and remedies of the consumer under a law in relation to the goods to which the warranties relate. The consumer's rights under applicable law prevail to the extent of any inconsistency between these General Warranty Terms and Conditions and the law.

ŠKODA Australia guarantees that within the relevant warranty periods any part or component of your vehicle that is found to have a defect from manufacture in materials or workmanship will be repaired, replaced or adjusted by any authorised ŠKODA Dealer free of charge (for current dealers and locations please refer to: www.skoda.com.au/dealers).

For authorised ŠKODA Dealers, the replacement of parts under these warranties may at times include the use of new ŠKODA Original Equipment Manufacturer (OEM) or ŠKODA factory approved remanufactured parts depending on the type of repair and the availability of the new OEM component. All ŠKODA factory remanufactured parts have the same warranty coverage as the new OEM component.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under the terms of these warranties should be referred to an authorised ŠKODA Dealer. In order to claim under these warranties, a consumer must, at its own cost, present the vehicle to an authorised ŠKODA Dealer together with the vehicle logbook and collect the vehicle at their expense once notified by the ŠKODA Dealer that the vehicle is ready for collection. A list of all authorised ŠKODA Dealers and their address and contact details may be found at: www.skoda.com.au/dealers.

Servicing or repairing your vehicle by third parties that are not authorised ŠKODA Dealers will not void your warranties, but may impact your ability to claim under these warranties to the extent that any problem is associated to the servicing or repairs carried out by the third party repairers.

Vehicles that are/have been used as commercial use vehicles are limited to a 5 Year/150,000 Kilometre Warranty (whichever occurs first).

The owner may be required to provide service records, evidence of usage history for the owner and previous owner/s and other vehicle records to establish the vehicle’s warranty status and to establish that the vehicle has not been operated for commercial use.

Warranty for ŠKODA Genuine Parts and Accessories fitted on the vehicle at time of delivery is 5 years unlimited kilometres. Warranty for ŠKODA Genuine Parts and Accessories fitted after delivery of a new ŠKODA vehicle is 2 years unlimited kilometres warranty from the date of fitment.

The above warranties commence from the day of delivery of your new ŠKODA vehicle. It is the responsibility of the ŠKODA Dealer to report the correct delivery date into the ŠKODA Australia’s systems to start the warranty.

The fact that these warranty periods expire will not prevent you from pursuing any rights you have under the law in relation to problems with your vehicle that occur after the end of the warranty periods.

It is not a requirement of these warranties to be provided with alternative transport.

Where to have Warranty repairs carried out

When a warranty repair is required, it is the responsibility of the owner of the vehicle (or the owner's agent) to report the defect to an authorised ŠKODA Dealer (for current dealers and locations please refer to www.skoda.com.au/dealers).

All authorised ŠKODA Dealers are able to carry out warranty repairs on all ŠKODA vehicles. All warranty defects must be reported to an authorised ŠKODA Dealer as soon as possible and within a suitable timeframe.

Paint and Corrosion Warranty

Paint and Corrosion Warranty defects must be reported to an authorised ŠKODA Dealer as soon as possible and within a reasonable timeframe. These repairs may require the vehicle to be inspected by a representative of ŠKODA Australia. Once approval is given after the submission of a defect report by an authorised ŠKODA Dealer, the repair must be commenced within 30 days. If the repair cannot be carried out within this timeframe, approval must be sought by the authorised ŠKODA Dealer from ŠKODA Australia.
